"SCHWEIZERPSALM" of A. Zwyszig/L. Widmer

"CANTIQUE SUISSE" "

"SALMO SVIZZERO" "

SWISS SOCIETY OF N.Z. INC.

ANNUAL GENERAL MEETING 1981

The meeting was held at the Conference Room of Von Tempsky's, Te Rapa, with an encouraging number of 54 people attending. Commencement time was 1.45 p.m. and following a few apologies the President made a brief welcome speech indicating his pleasure at the attendance and urged everyone to participate in the meeting in an orderly manner even if lively.

Following the reading of last years minutes which were found correct, the Treasurers report was read. This contained one discrepancy between the Society and Riflemaster which would be sorted out later. Other than for that it was accepted and found correct.

In the Presidents Report, Mr Villiger expressed congratulations to the Taranaki Club on their new Club House. Having been there for the opening in April together with other committee members to view the building, all were impressed with the layout and structure. Mr Villiger met Dr Weber and Mr Nae from the Secretariate of the Swiss Abroad and joined them in some interesting discussions.

The committee and especially Mr Risi were thanked for their year's effort towards the Helvetia and Society. At that point it was acknowledged that Mr Risi would still edit the Helvetia for one further year since it was the last year the Hamilton Club

held the office anyway and it was difficult to find someone else.

Mr Risi then made the Helvetia Report pointing out that it was now 25 years since the magazine began to be sent out, paying tribute to Mr Hans Oettli and A. Biland who were founders of the printing and editing. He then pointed out that due to costs and economy the committee was once again printing small Helvetias although the large Helvetia did appeal to most people.

Mr Unternahrer made the Riflemaster Report showing the income and expenditure and how the new medals were being accounted for. He expressed hope that Christchurch Club would be competing next year for some of the 100 beautiful medals which were ordered again.

Following this came the Election of Officers.

President	J. Villiger	Hamilton
Vice President	R. Dudli	Taranaki
Secretary/Treasurer	H. Staheli	Hamilton
Editor	J.W. Risi	Hamilton
Editing Committee	E. Fluhler	Hamilton

Riflemaster	W. Unternahrer	Hamilton

At the commencement of General Business the venue for next years meeting and weekend was set. Although with normal procedure the Venue would be at Taranaki, Mr Fuhrer from Wellington asked Mr Chamberlain if it would be in order to hold the meeting in conjunction with the Wellington Club Jubilee celebrations. Mr Chamberlain agreed to this.

Amongst other General Business the Riflemaster pointed out that some more sports rules would be printed in the Helvetia later on. Mr Binder asked if the committee would look into the Tax problem of the Society.

Mr H. Staheli asked if the printing and editing of Helvetia would also pass on to the club that held the office for five years, as it would keep very close contact for accounts and mailing etc.

Mr Villiger suggested that each club discuss this matter over the next twelve months and seriously consider it.

There was one further matter relative to the Secretariate Meeting held each year and whether each Swiss Club could possibly collect Fr 1.00 from each member in order that they could pay each country one fare to encourage a delegate to attend. This was agreed to in principle and the secretary would reply to Switzerland.

At 3.30 p.m. the President thanked everyone for participating in the lively meeting and it was closed accordingly.

H.J. Staheli,
Secretary/Treasurer

HAMILTON SWISS CLUB

On Saturday, 2 May, 1981, our popular card-evenings started at the Eureka Hall. As always, there was a good atmosphere right from the beginning amongst the cardplayers who arrived in time (most of them anyway!). At "half-time" the supperladies, Anita and Ursula, served a delicious supper. After this pleasant interval the "battle" went on. By approx. 11.00 p.m. the winners for this evening were announced. The lucky ones were:

1. Mr. Waldvogel
2. Mr. Gwerder
3. Mrs. Wehrli
4. Mr. Pat Steiner

Mr J. Staehli went home with the booby-prize. Congratulations to all the proud winners!

Mr W. Steiner was so kind again and brought to that evening a beautifully carved wooden pot-plant stand for auctioning. A smiling Mr. Wehrli became the owner of this nice handcrafted work. And the first card-evening ended happily. Many thanks to the participants and helpers!

The second card-evening, a week later, took place in Putaruru. When we thought we had a good attendance (44 players) the week before, we were in for a big surprise, because 56! were present at the Wdff-Hall. And again, most of the players were in time and the "battle" started. It seems that the Hall in Putaruru has just the right size for this event, because you get the "heimelige" feeling there. It was after 10.00 p.m. when we were refreshed with "Pastetli" prepared and served by the chief cooks Mr and Mrs. Leuenberger. The beautiful "Linzertorte" and "Biberfladen" were baked by Mrs. Lenggenhager. Everybody was delighted and enjoyed the supper very much. It was after 11.00

p.m. when the winners for this evening were announced:

1. Mr. R. Blaettler
2. Mrs. P. Arnold
3. Mr. S. Odermatt
4. Mr. Hartmann

The booby-prize was won by Linda Arnold. Congratulations to all winners!

Many thanks Putaruru for your great hospitality. And it was amazing how quickly everybody disappeared, but many of the card-players wanted to be at home in time for the cup final. I think we all managed to watch this interesting game in front of our TVs at home.

On Sunday, 10 May, 1981, at 10.00 a.m., we welcomed the sportsmen from Auckland for the cow-bell competition. The weather was beautiful and the spirits were high. It dropped a little after the first competition (kegeln), when Hamilton lost by 4 points. When shot-put was in full swing, Hamilton had no show, because Auckland was just too good. After lunch the hopes for Hamilton rose again, when the competitors sat around the tables for the jassen. But again, Hamilton was on the losing end and Auckland will be in for the finals. And the proud Aucklanders went on their way home after they had some refreshments. Congratulations Auckland! it was nice to have you here in Hamilton. Who will be the winner of the lovely cow-bell will be known on Sunday, 31 May, when we have the AGM of the Swiss Society Inc. here in Hamilton.

Our third cardevening was held on Saturday, 24 May, 1981 at the Eureka Hall. Again, the participation was great. The spirit was high and the playing got underway punctually. It was after 11.00 p.m. when the lucky winners were announced. Here are the names:

1. Mr. L. Steiner
2. Mr. K. Keller
3. Mr. O. Reichmuth
4. Miss K. Lenggenhager
5. Mrs. M. Fluehler

Mrs P. Arnold took home the booby-prize. Heartiest congratulations!!!

As usual, supper was delicious. This time Mrs. Baggenstoss and Mrs. R. Wehrli volunteered to help with the baking and the kitchen work. This was most appreciated and we would like to thank the two ladies very warmly. Last but not least, thanks to all the other helpers "behind the scene", because without them the evening wouldn't have been so successful.

The fourth and last card-evening was held on Saturday, 30 May, 1981, at the Eureka Hall. Since the Hamilton Swiss Club was the host for this year's Annual General Meeting for the Swiss Society, we expected a big crowd. And we were not disappointed. We welcomed keen cardplayers from

Wellington, Taranaki and Auckland. Everybody was enjoying the evening and the supperladies were kept busy in the kitchen preparing the refreshments. It was nearly midnight when the lucky winners for the evening were announced. The winners for the evening were:

1. Mr. W. Unternaehrer
2. Mr. C. Werder
3. Mr. Duenner
4. Mrs. Werder
5. Mr. Gwerder (Taranaki)

The booby-prize was handed over to Mr. Fritz Haesli.

Congratulations to you lucky ones!!!

Then the big moment came, when the overall winners were announced:

1. Mr. Werder
2. Mr. Arnold (Sen.)
3. Mr. Steiner (Louis)
4. Mr. Waldvogel
5. Mr. Risi (Doelf)

Marina Arnold took home the booby-prize.

The trophy, donated by Mr. Steiner, Huntly, was won by Mr. Werder. The trophy was in the possession of Mr. Nussberger for the last two years.

Our heartiest congratulations to all the proud winners, especially Mr. Werder.

Now we can practice at home until next year when the competitions are held again.

Many thanks to all the participants (if you weren't lucky this time, next year you may be one of the lucky winners!), all the helpers, especially Mr. Risi, who has a big job to work out the scores. Many thanks again to everybody.

TARANAKI SWISS CLUB

The weather was perfect for our fondue-evening on the 22nd May. The wind was blowing cold from the south and it was raining as well. But inside the clubhouse it was nice and warm.

Soon after six o'clock people began to arrive and until seven o'clock the two cooks were kept busy preparing a delicious fondue for the hungry ones. The smell from wine and cheese soon filled the room and together with the 'cheese hanger' told all the newcomers what was going on.

After the big cleaning-up job was done everybody moved over in front of the stage, anxiously waiting for the play (in Swiss) a few of us had practised. A short introduction in English told everybody what it was all about and then it was curtain up for 'Alles us Verzweiflig' (Everything in Desperation).

And then it was again time for the dancers. To the music of 3 different bands we danced until early in the morning. In between John and Anne Hawton entertained us with two lovely german songs.

A raffle was drawn and was followed by a big and delicious supper.

A big and hearty thank you to all those who helped to make it a wonderful evening and a special thank you to all the "cleaning-hands".

WELLINGTON SWISS CLUB

A picnic combined with the Swiss Society Kegeln and Steinstossen Competitions was held at the Clubhouse on February 22nd. The Wellington Kegeln Competition, run concurrently, was won by Hans Glauser, the lady's prize went to Mrs Deplazes and the best junior was Max Fuhrer, Jnr.

The weekend following, Wellington played hosts to Taranaki for the Cowbell Competition. Our compatriots from the North came, saw and conquered, and this in spite of a very spirited defense on the part of Wellington.

On the 8th of March, 25 of us crossed the sea to Kapiti Island to do a spot of birdwatching. The fit ones got to the top first and the slow ones saw more birds - what could have been fairer on the fairest day of a splendid Wellington summer.

TWO-PILOT CREW FOR SWISSAIR'S AIRBUS A310

SWISSAIR has decided on a 2-man cockpit crew for the AIRBUS A310s scheduled to join its fleet from 1983 onwards. In reaching this decision, the results of a number of in-depth investigations and studies were taken into account - in addition to SWISSAIR's own record and experience of flying shorthaul jet aircraft with 2-man crews over many years. SWISSAIR is convinced that flight safety is fully guaranteed by the operation of the A310 with a two man flight deck crew complement.

Right from the advent of the jet age at the end of the 50s, SWISSAIR has actively participated in the specification of cockpits for its aircraft and regularly invested considerable sums for this purpose. Experienced SWISSAIR pilots and technicians have been increasingly able to incorporate their own ideas and requirements, with the principle objective always being to improve cockpit scanning, reduce crew workload through the use of state-of-the-art technologies, and thereby enhance flight safety.

SWISSAIR's positive experience with 2-man crews on its shorthaul jet aircraft dates back some 20 years - and its large fleet of two-pilot DC9s (some 34-strong at present), has been operated without problem since 1966.

This firsthand experience is backed up by the results of several in-depth studies conducted in various countries. They show that aircraft with a 2-

man cockpit crew is no more accident or incident prone than those operated with a complement of 3 crew members. The pilot workload on the A310 has been reduced in comparison with the DC9. Specifically, this has been achieved through simplified i.e. improved display of air and systems data, easier navigation, better system redundancy (important systems are duplicated) and a logical clearcut presentation of the measures necessary to correct possible faults.

SWISSAIR's decision to crew the A310 with 2 pilots will not lead to any loss of jobs.

To ensure that SWISSAIR is able to operate the A310 in 1983 as envisaged, however, certain conditions have to be fulfilled. Firstly, the manufacturer must observe all contractual provisions of a technical and operational nature - this they will doubtless be able to do. Secondly, the aircraft must satisfy the requirements of the certification authorities, i.e. the French and German Air Offices. Finally, the Swiss supervisory authorities, namely the Federal Office for Civil Aviation, have to grant an operating permit.

In the USA, President Reagan has given an expert task force the job of examining the question of 2-3 man crews for new aircraft by the end of June. Naturally SWISSAIR will take into account the findings of this group insofar as any new aspects are brought to light in their deliberations.

The cockpit associations with whom SWISSAIR collaborated in the specification of the A310 aircraft have their own views on the crew issue. SWISSAIR hopes, nevertheless, that they will be able to accept the reasons for its decision so that the entry into service of the A310 in two years time can proceed harmoniously. Optimizing the safety of passengers has always been SWISSAIR's paramount objective. In its decisions, both now and in the future, there will be no deviation from this vital criterion.

Zurich, May 1981.

Da der Knecht auf den Kopf gefallen ist, hatten wir auch nicht einen grossen Ertrag.....

Wenn Sie mir keine Stoeierreduktion machen, so muss ich den Meister fragen fuer mehr Ferdienst, was aber von der Witterung abhaengt.....

Kann ueberhaupt nicht verstehen, das Sie meine Arbeit immer so hoch einschuetzen.....

Habe nach meiner Veranlagung die Steuern immer gerne bezahlt und dass ich Abstinert und Nichtraucher bin, kann Ihnen der Pfahrer bestaedigen.....

Seit dem ich verheiratet bin, schlagen wir uns durch mit Besen und Kurzwaren.....

Unsere Hoffnungen auf eine gute Ernte sind nach de

der langen Trockenheit voellig ins Wasser gefallen...

.....sollte noch allerlei haben, wie Schuhe und falsche Zahne so notwendig.....

Ich bin nur noch gut genug, Steuern zu bezahlen und bis ueber den Kopf in Schmutz zu stecken, so dass ich noch sehen muss, ob ich noch die Stiefel an den Fuessen habe.....

Es ist ungerecht, einen Mann, der sich ueber Wasser halten will, wieder ins Wasser zu druecken. Sonst ist es besser, man liege bis Mittag im Bett und rufe die Gemeinde um Hilfe an, wie es in meiner Naehe passiert ist.....
