CONSULAR DISTRICT MELBOURNE

MELBOURNE

Swiss Club of Victoria

A New Year is with us and I hope that you all had an enjoyable and happy Festive Season. May 1993 bring you all that you desire and let us hope that the promised recovery will take place.

1992 was a rather quiet year (compared to 1991!), the highlights being the National Day Ball and the Oktoberfest. These two events were once again an outstanding success and our thanks go to the organisers and all the helpers.

As with most restaurants and clubs, we are feeling the downturn in the economy and I therefore appeal to all members and friends to support the Club Restaurant.

Our Manager, Ms Monica Sieber, would welcome you and provide first class food and service. We are counting on your support. We have a wonderful Club, a little piece of Switzerland, and we want to keep it!

Hope to see you at the Club.

Primo Calabresi.

Saturday Morning Swiss School

1992 was an eventful year for our School and we all deserve the rest (??) provided by the "great summer holiday"! At the end of the fourth term of the 1992 School year we had 25 children regularly attending.

After a Bushwalk combined with Sausage Sizzle last Autumn, we took part in our National Day celebrations in Gembrook, had a terrific day in the snow up at Lake Mountain, helped the Elderly Swiss Citizens to celebrate Christmas and had our own party with a visit by Santa Claus and his helper.

We learned many things about the various Cantons of Switzerland, their respective cultures and languages, the traditional "Fete des Vignerons" including wine tasting (well, grape juice!) and of course singing in French. The highlight of our Art and Craft activities were the clay masks during the second term – especially after the kilning process led to some unplanned results!

We are between six and 12 years old and meet fortnightly at the Swiss Club, 89 Flinders Lane. No fees are charged for attendance and our parents take it in turn to provide drinks and snacks at morning tea-time. The Saturday Morning Swiss School is a children's activity group, where we meet and play with other children of Swiss origin and learn about Switzerland's many diverse cultures, its geography, history, music and everyday life.

Are your children missing out on our fun activities? Why not come along when we start the first term of 1993 on 6th February at 9.30 am at the Swiss Club in Flinders Lane.

For more information, please contact either our

- Convenor, Mr. Pier Fasnacht on Tel. 435 4354 (Home) or
- Teacher, Mrs. Brigitte Staub on Tel. 438 3154 (Home).

CONSULAR DISTRICT SYDNEY

**CONSULATE GENERAL OF SWITZERLAND
SYDNEY**

Dear Compatriots living in the Consular District of Sydney,

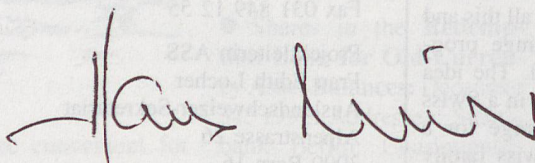

A few words to introduce myself as your new Consul General. I had the privilege to succeed Mr. H.-P. Egger in this capacity on September 7, 1992. He returned to Switzerland and my last assignment was in Osaka/Japan.

I shall be delighted to make your acquaintance as soon as possible and to assure you that, together with my colleagues at the Consulate General, I shall do my level best to maintain and further strengthen the already good understanding existing between each one of you and this Consular representation. If you have any problem, please do not hesitate to call on us. We are at your service.

The prospect of sharing my life with you here in Australia for a few years is indeed an enchanting one. As this continent is "new land" for me, I am thrilled to discover its natural beauty and getting to know its people.

Looking forward to meeting you soon, I am, in the meantime,
Sincerely yours,

THE CONSUL GENERAL OF SWITZERLAND
