Swiss Club of Victoria 89 Flinders Lane, Melbourne

Our club has reopened for 1993 and we now have a completely new (and separate) entrance which is most attractive. As a special feature we repositioned the Relief Sculpture in Bronze, produced by the Swiss artist Ernst Fries and donated to the club by him. The name of this work is "One for All and All for One", a truly great Swiss saying.

During December the citizens of Melbourne presented a unique Sundial Clock to the people of Switzerland.

In a reciprocal gesture of goodwill for the famous Floral Clock, which was given to Melbourne by the Watchmakers of Switzerland in 1966 and is located on St Kilda Road, the presentation was made to the Consul General of Switzerland, Mr Leo Renggli. The Sundial Clock which is 1.8m high and handcrafted from beautiful Australian materials, is named "Tjukurrpa", an Aboriginal word meaning "The Beginning of Time, the Dreamtime".

Members of the Trachten Gruppe Schwyzer Gruess, and the Folk Dance Group Alpenrose, provided a very colourful background in their National Costumes. The presentation was concluded by Irma Thalman playing the Alphorn.

The function was held in front of the Floral Clock and was organised by Mr Graham Davies, the Managing Director of SMH, which was the major sponsor of the project.

SMH is the leading importer of Swiss watches such as Omega, Longines, Rado, Tissot and Swatch.

The Sundial Clock will be on permanent display in the Jura Region of Switzerland.

Yodel Choir

We're always on the lookout for "deep and high" voices to strengthen the vocal sound

of our choir. We do realize that immigration to our chosen country has practically come to a stand-still, therefore making it hard for any traditional Swiss organisation to increase its membership numbers. However we also know that there are many who would be able to contribute to the continuation of one of Switzerland's finest traditions — by singing in a Yodel Choir.

Our present members come from all walks of life and are not equipped with opera singer voices. You'll find various Tradesmen, a Pastrycook, a Tech. Draftsman, a Builder, a Civil Engineer Lecturer, a Uni. Professor, etc. As you can see you won't have any problem in exchanging your thoughts at a Gmütliche Hock after the choir practice.

Congratulations

One of our founding members of the Matterhorn Choir and Secretary of the Matterhorn Society for a number of years, Dr. Walter Goode (Gut) has been appointed Consul General to China by the Australian Department for Foreign Affairs. Our best wishes go to Walter and his wife Elizabeth for their term of office in the land where one fifth of the world's people live.

A reminder that our club premises are open every Wednesday night from about 7 p.m. and provide the following opportunities:

- to tune your vocal chords at choir practice.
- to practise your skills with the cards.

Every first Wednesday of the month: "Jas-sabig — Gmütliche Hock".

To all past members of the Swiss Folk-Dance Group

On 3rd July 1993 the Group is planning a **45th Birthday Reunion** at the Swiss Club in Melbourne.

We would love to hear from you and would appreciate your interest in this celebration.

For further information please phone Mrs. Sylvia Hochuli on (03) 531 6575.

To help us with the organisation of this very special celebration **please book by 31st May 1993.**

Kind regards
Peggy Schürch.

1993 started well with good gatherings at our events — even the sun shone for our beach day at Lauderdale. The long weekend in February at Lake Dobson will be another good family event and as this is an annual get-together please keep it in mind for next year.

We will be having gatherings in April — Schützenfest, May — Mystery Bus tour, June

— Jass-tournament, July — Fondue, and in August we will celebrate Swiss National Day. More details will be sent out in our Newsletter or from Lynn or Martin.

Hope to see you at one of our get-togethers.

Lynn Hauser.
