CINS Campaign for an Independent and Neutral Switzerland

more than 36 000 members in Switzerland and abroad

The notion that Europe is currently the EU, and nothing else, is somewhat elementary. In the Europe of the coming decades there will be place for a wide variety of states – and not only for NATO and EU members. **Neutral Switzerland will make its contribution to stability not by hanging onto the coattails of other states, but by safeguarding its stability and by proceeding on its sovereign path in a straightforward and predictable manner.**

Order the keynote study report by National Council member Ch. Blocher.
