A N N U A L   R E P O R T .

The Committee of your Society has much pleasure in presenting the Annual Report and Balance-sheet for the year ending September 30th 1939.

The fourth year was our most successful since the inception of the Society, and both our membership and the finances have satisfactorily increased. This has only been achieved, however, through special efforts of your Committee, whose services are entirely voluntary. It is felt that many of our members should display a more patriotic spirit and meet the small annual fee of 10/- promptly when due. Out of 124 members only about 20 have met their obligations since October 1st. Extra work and unnecessary postal expenses could be prevented if all members would be kind enough to forward the small subscription immediately to the Secretary.

Every member should also make it his duty to induce compatriots not yet members to join the Society. We look forward to a whole-hearted support from each and every one of you.
