GIFT - PARCELS TO SWITZERLAND

As announced in the August issue of the "Helvetia", the Post and Telegraph Department in Wellington have advised us that parcels can once again be sent to Switzerland.

Parcels are limited to a maximum gross weight of 5 lbs. each, and in the case of foodstuffs not more than 2 lbs of any commodity can be sent. Tea is not allowed to be included. Only one parcel per month can be sent to the same address in Switzerland.

Postage rates are as follows:

Parcels not exceeding 2 lbs	3/6 d
Over 2 lb but not exceeding 3 lb	5/-
Over 3 lb but not exceeding 5 lb	5/6

Each parcel must be accompanied by 2 Customs declarations and by a dispatch-note filled in in French. (See specimen card below). These dispatch-notes and Customs-declarations can be obtained from any Post Office.

If you want to send foodstuffs, the following information may be helpful to you: - the Swiss people chiefly need FAT, SUGAR and Coffee. Tins of lard, bacon fat, honey, meat (sheep tongues, corned beef), ~~macaroni~~ would all be welcome. Tins should be soldered and labelled.

Parcels for Switzerland must, of course, be securely packed, possibly the best plan is to stitch the parcels in some stout material such as calico or clean sacking, on which the address can be clearly written in ink.

If you need any further information, please write to this Consulate.
