## AFTERTHOUGHT FOR THE RED CROSS APPEAL . . . .

*A very warm letter of thanks to the organising committee for the Red Cross Appeal has been sent through the Embassy from M. Boissier, President of the International Red Cross. M. Boissier has conveyed in this letter the deep appreciation of his committee for this gesture at the occasion of its centenary and wishes to express heartfelt thanks to all contributors.*

*As much as we, the press committee of the Helvetia, feel very proud to pass on this message, we nevertheless feel a little embarrassed because of the fact that the total sum of £138/1/1 was donated by one quarter of our members only. The other threequarters either mislaid or ignored the appeal and this is most regrettable in view of the worthiness of the cause.*

*Even the smallest donation would have shown the goodwill to help others in need.*

*The Red Cross strives to give  
that others may live.*
