★ Taranaki Swiss Club

A large number of members and friends gathered at the Kapuni Memorial Hall on Friday, 29th June for another very successful Cabaret. Our very popular Swiss musicians provided us with top-class "Landler" music which kept nearly everybody on the dance floor until the early hours of the morning. A delicious supper was prepared by the ladies which satisfied everybody's appetite. Raffle prizes were won by Mrs K. Napflin and Mr T. Butler.

ANNIVERSARY SHOOT

Thirty shooters took part in our annual anniversary shoot at our rifle range on Sunday, 8th July. Top marksman was a new member Mr Keith Zehnder with a possible of 60. Well done, Keith! At the conclusion of the shooting programme members quickly got their families and headed for the Riverlea Hall to sit down to a Swiss dinner, which was enjoyed by all.

Our Riflemaster, Mr E. Fuglistaller, distributed prizes to all shooters consisting of 1 lb of Swiss cheese for each shooter. After dinner a large number of those present played cards, with everybody trying their luck on the raffle wheel. Several couples were soon on the dance floor when our musicians started playing. A Monte Carlo dance was won by Mrs R. Gwerder, and Mr B. Luond. The children enjoyed themselves throughout the evening playing games. All in all this was a most enjoyable function with a very homely atmosphere. —R.W.

WEDDING

The wedding between Mary Pauline, eldest daughter of Mr and Mrs T. Kowalewski, Beaconsfield Road, and Albert Pius, younger son of Mr and Mrs J. L. Dettling, York Road, Stratford, took place at the Catholic Church, Stratford, on 30th June. Our best wishes to the young couple. —L.K.

Are all airlines the same?

Most airlines boast of French cuisine, champagne and savoir-faire

but only two are French

the whole thing comes naturally to UTA & Air France.

Flying the world's largest air network naturally has its advantages. For a start, being French takes care of the "joie de vivre": warm genuine French hospitality, a smiling French Welcome Service at every stopover, French gourmet meals and wines, in-flight movies and 7 channel stereophonic sound. Then there's the

advantage of flying in our airliners—the giant DC8 Super 62, the Boeing 727-200, our very French Caravelles and later the supersonic Concorde. Only UTA French Airlines and Air France weave a network of exclusive French delights wherever you fly in the world. Ask your travel agent or UTA.

COMPETITION REPORT

Last year the Competition was a success — 69 medals were awarded — and, although the final outcome is not yet known, so far this year there has been an even better response.

Concerning the Inter-Club Competition, the Club Presidents will correspond amongst one another about details.

It may be that the price of each event will have to go up, the cost of the medals was higher this year, and should it increase next year, there will be no alternative. The cost of the medals is at present down to a minimum, Swissair again will kindly provide free transport of the medals to Auckland from Zurich. I am doing my best to keep the events within the financial reach of everyone in the Society.

Once again I should like to stress that the major motive behind both the inter-club and inter-member competitions is not to win medals and trophies — although this is a very rewarding side product — but that of promoting friendships and goodwill between clubs and members.

Arthur W. Muller,
Riflemaster, Swiss Society of New Zealand.
