### LET'S GET TO KNOW EACH OTHER...

I suppose I have to introduce myself to you as reader of the Helvetia and now as *EDItor's* successor there is no choice left.

My wife Alison and I have been living in Zealand for just over 10 years. Our two

daughters born in 1985 and 1988 (Sarah and Anneliese) completed the family. I left Switzerland in 1976 to see the world and managed to get a job with a travel company so I could see the world and get paid for it, and I did this for several years. During that time I met my wife and we decided to live in CH to earn some money and further travel in Europe. For various reasons we decided that we would rather settle in NZ.

I am in the printing trade and Edi started me off on his Desk Top Publishing Machinery and obviously I showed too much interest for my own good ending up as an Editor of the Auckland Newsletter. I am looking forward to this challenge as it gives me a new hands-on experience of putting a newsletter together. I hope you will send me stacks of newsworthy items to make it really interesting for Auckland readers.

Let's get to know of you... Please send your details and if possible a photograph to the **Auckland Swiss Club, P.O. Box 40-152, Auckland 10.**
