HELVETIA

SWISS, TOP OF THE WORLD

The Swiss are not tops in everything of course, but nevertheless they hold a few very important and most unexpected world records. For instance: the world's largest single helping of popcorn, the longest trough of geraniums, the longest bus ticket (6m 58) and the longest snowboard as seen on this picture. With such world shattering records, doesn't this make you proud of being Swiss?...

NOT GUILTY

Your Editor takes no responsibility at all about the empty space on the front page of last month's issue where a picture should have been printed, nor about the switching around of two graphs on page 5. However, any other mistakes you might have been able to find in that issue were totally voluntary and put there to test your perspicacity.
