1. August

Dear Members, 707 years ago three people came together on the 'Rütliwiese' and lay the foundation for our Country Switzerland. (exact details can be found in history books). Swiss people celebrate this event all over the world in remembrance of the 'Rüttschwur'.

Here in New Zealand we are the lucky-ones. We are the first to celebrate the first of August.

This year the event will take place up on our farm at Kaukapakapa, as the committee thought it would be nice to have a huge bonfire in the evening like in Switzerland.

- To make this a successful day we need **volunteers for the working-bee on 25th and 26th July 1998.** Your help would be very much appreciated.

Notice of Vineyard voyage, 12. July 1998

We have been asked by members of the Austrian and German Clubs to join them in a vineyard voyage. This

is a train ride Auckland - Hamilton with a 3-hour-stop-over in a vineyard and then return. As I understand you will be brought to the train by bus and then also returned.

If you are interested **bookings are at the Pumphouse, Takapuna,** and ask to be on the continental carriage. - The costs are \$ 75.00 including all transport, food and wine. **This could be fun !**

Albert.

Chalet extension

When the hut was first built, Toni Sidler, a top craftsman in Stone masonry, built the stone walls. Stone was collected from as far as Coromandel and from his own Blue stone quarry. 30 odd years later the question arose, how can we make the addition look right, to be in harmony with the rest. Toni has been retired for a number of years and has had health problems. But when approached was willing to help out. So Toni and Albert had to look for similar stone. It took a couple of months to find enough. Wading through Coromandel rivers on slippery rocks, carrying stones up the river bank is hard work. Another day was spent in the Winstone Mt. Wellington quarry. The time came when Toni with two assistants, Max Bachmann and Albert made a start. The masters touch was still there as you can see. Thank you Toni, it could not have been done without you.

Skillful men at work.

P.S.

Auckland Swiss Club members...., we have been made aware that last month's cover-photo of HELVETIA had special significance for your Secretary, Albert Ryter.

Apparently the picture captures the view from 'Bauschänzli' and Albert grew up just across the road on Stadthaus quay where he spent most of his free time fishing.... Happy memories for sure -Ed.

Apology

The committee of the Auckland Swiss Club would like to apologise to the Swiss Society of New Zealand and to the Swiss Club in Taranaki for our absence from the Swiss Society AGM held in Taranaki at Queens birthday weekend.

- It was a busy time for all committee members and unfortunately no one could make it.

- We heard the event went very well and we appreciate the efforts put into organising the event. We congratulate Taranaki on winning the Society games.

Ernst Gfeller.

Taranaki Trip 30/5/98 to 1/6/98

18 Hamilton Swiss Club members meandered by bus to Taranaki, and a few others by car, for the Cowbell Competition and the Annual General Meeting of the Swiss Society. Walter Zuber was an able and jovial driver.

- The presence of Ruedi, Lisette and Marianne Benkert from the Taranaki Club, created a "Swiss" ambience at the dinner on Saturday night at the Mountain Haus Restaurant. 'Flädli Suppe' and 'Spätzli' were just some of the things on the menu and ably cooked by our hosts Berta and Keith Anderson. Marianne got out her Accordion and singing commenced until us travel weary went to bed.

- Our accommodation there was excellent. The automatic "Wash and Dry" loo in Richard and Heidi's ensuite created great mirth amongst the group.

Sunday 10.00 am arrived at Kaponga Clubhouse, ready to battle for the retention of the Cowbell. Taranaki won the day with Hamilton losing all 4 sections of the competition, some only by a few points and others by a few more (according to our 'Steinstosse' team.....who shall

remain nameless!!!)

We will regroup and plan our strategies for next year and be back with a vengeance !!!

The lovely lunch and hospitality provided by our Taranaki hosts helped to put us on our feet again and soon we were ready for the AGM of the Swiss Society. This was ably chaired by Beatrice Leuenberger. Beatrice and her support team; Ruth Waldvogel, Rinaldo Rust, Heinz Leuenberger and last but not least, Peter Rust. all contributed to a smooth and quick running of the AGM.

Then more socialising, with some playing cards, others catching up with each other before dinner. After a lovely dinner the evening's entertainment started with the singing of some Swiss songs and 'jodels' by members of Taranaki Club and then the dance folk were led in by some vigorous clanging of Cowbells. (I don't know about you, but I was momentarily whisked to Appenzell to the 'Alpauffahrt'. The lovely dancing was further enhanced with 'Fahnenschwingen' and 'Alphorn-playing' and then our hosts treated us to some more Swiss music for us to dance to. Unfortunately the bewitching hour of midnight arrived all too soon and off we were whisked by Walter who feared his coach would turn into a pumpkin

Sunday morning all those who had converged on Taranaki were invited to morning coffee and a final chat at Benkerts' before the homeward journey. All in all a lovely weekend thanks to our host club Taranaki. H.W.

Joe Staeheli and Bert Flüehler against Maya Stutz and Heidi Seifert.

One last wave goodbye before returning home - with our lives in the hands of our "chauffer", Walter Zuber.

FONDUE EVENING

This evening followed the Championship Shoot and Preiskegeln, and was well supported by about 90 members. Preiskegeln was fiercely competitive, some winning

"Landjäger" at will...while others (like myself) would have been better off buying them!! Great fun was had and people thoroughly enjoyed themselves... One of our youngest keglers beat all the men - well done Michael Kiser, we could have used

you at the AGM!!! Second man was Ruedi Benkert. In the ladies section, competition was very keen....and they had to play-off to find the winner and runner-up; these being Heidi Seifert and Erna Zimmermann respectively. Well done, ladies!!!

Fondue - and sausages and salads - were awaited with patience...and everyone thoroughly enjoyed their meals - some even having a bit of both meals!!! Congratulations to the cooks...you did a superb job, and pot cleaners were excellent at their jobs too...both Mark and Markus are available for catering functions - at a price !! This was followed with entertainment, which was excellent...once again!! The children seemed to enjoy the pool table and soccer table, and we hardly even knew that they were in the hall !! Thanks to all the members for their loyal support, and we look forward to seeing all of you again at the Sauerkraut evening.

KEGELN

The Kegeln trophies have now all found new homes... once again, not mine... must improve, I guess!! Winner in the mens' was Mathias Seifert with Johnny Bishop second (pipped at the post, eh Johnny?!?). In the ladies', Frieda Meier was most consistent and skillful, with Myrtha Seifert the runner-up. Congratulations to you all !!

SWISS SOCIETY AGM, HELD IN KAPONGA

People were up bright and early on Sunday, in order to be able to commence competitions by 10.00am. We had already won the shooting, so there was Kegeln, Jassen and Shotgun left to play. The shotgun was quickly over...fortunately we had four strong Taranaki men in Ross, Arni, Paul and Markus, while

Hamilton was unfortunately unable to bring their strongest team down...or so they said ?? Well done, boys - we now had to win only one of Jassen or Kegeln. Both were well underway and competition was fierce, but very friendly!! Kegeln was keenly contested... and finally Taranaki won by a small margin. Those we thought would do very well ended up helping Hamilton, eh Paul??! Fortunately, I didn't skittle to get less than you! The "Jassers" finally appeared from the shooting shed - with Taranaki winning six out of eight games!! Our team was an all-lady team, so does that tell you anything!!? Well done ladies, once again, we are all proud of you. So, in the end, we cleaned them out - just like they did to us last year! I guess that bell's just made to go round... It was great to see everyone so competitive, but friendly and enjoying themselves.

A short happy hour was held before lunch, which was soup, Aufschnitt and French sticks, with a cup of coffee schnaps to aid the digestion. Thanks to all the ladies who helped with the meal and cleaning up.

The AGM was held at 2.00pm, with lively discussions held. Afternoon tea followed, with people keen to chat, or have a game of cards or table soccer until tea was served. It was great to see the good companionship amongst all clubs, with people intermingling and telling stories of their younger days. Dinner was a wonderful smorgasbord, followed by a variety of entertainment. Many thanks to all the people who performed (and we all enjoyed seeing the younger members participate),

and helped make the evening a success. I hope you weren't all deafened by the bells, and as you could see, we needed that Swiss Society bell to make even numbers!! Many thanks, too, for the support of the raffle... It was appreciated. Once again, it was great to see Hamilton in such large numbers, and Auckland and Wellington members, together with our own Taranaki members. We thank everyone who helped in any way to make the week end so successful, and we now look forward to the AGM in Wellington next year. Marianne

Peter Rust handing over the big bell in exchange for the little one.... Do I see a tear in your eye Peter?

8th August: Bernese Evening: Watch out for a surprise! More clues will come in your personal invitation: make sure you keep this date free for a great evening at the club and food like 'Jeremias Gotthelf' wrote about!

Have you been wondering where the 'Scherenschnitt' on the cover of the

Wellington Swiss Club Calendar (June 1998 to June 1999) came from?

The artist is Wendy Perren-Novell who grew up in Upper Moutere and lives now in the 'Bernese Oberland'. Unfortunately, the photocopier swallowed her name - and she certainly deserves mentioning. The drawings of the houses are by 'Hans Egli', published in 'Richard Weiss - Häuser und Landschaften der Schweiz, Eugen Rentsch Verlag 1959'. - Keep your calendar handy, it is well worth it - and support our sponsors. TB.

Looking back....
FIGUGEGL

'Fondue isch guet und git a gueti Luune'
On 13 June we had our traditional Fondue - with a glimpse into Fondue history. Surprise, surprise; Many had their first fondue only in New Zealand, as the good news of fondue hadn't reached the more remote areas of Switzerland before their emigration.
- Well, Fondue has certainly found favour with the Wellington Swiss, and after a bit of wine and a bit of waiting the 12 kg of cheese disappeared quickly, and the noise level indicated everybody felt at ease and quite talkative. Many thanks

- to Max Fuhrer who decided on the mix of the cheeses, stored the cheese and had it grated,
- to Roland Schütz who set the tone and created the atmosphere of the evening right in the beginning,
- to Monika Sorensen who master-minded the whole meal and never lost her calm,
- to Ruth Messmer who had a fire and the heaters going early,
- to Edith Burla and David Cox who cut bread after bread after bread..,
- to Christine Alderdice and Marianne Walti who peeled and cut tons of fruit for a delicious fruit salad and,
- to all the other helpers who contributed to a smooth running of the evening.

Thanks also to all who waited so patiently for their cup of coffee or tea - we'll work on a better system next time!

A timely reminder to all Swiss Clubs!

A statement from "Internal Affairs"

on **raffles and lotteries**, reads as follows;

The games and Lotteries Act 1977 requires all lotteries in New Zealand to be run in certain ways and to meet certain conditions.

- You will need a licence if your lottery has prizes worth over \$ 500. - in total.

CHRISTCHURCH SWISS CLUB

We have just been informed that the Christchurch Swiss Club, at its recent AGM in May, elected a new committee. They have put together a very keen, energetic and supportive team, who are all full of new ideas for their club. One of their first actions was to increase member's interest in the Society and the *Helvetia*, which I see to be a very positive step towards renewing contact between North and South. So we will definitely be hearing from them regularly. As well, they will be printing a newsletter every four months, so we will be hearing a lot more from now on about events in the Christchurch region and will attempt to keep you all informed. Their new committee is:

President	Helena Duff
Vice Pres.	Gwyneth Schibli
Treasurer	Werner Schibli
Secretary	Lesley Browne

Committee: Helmut Eck, Reinhard Jagau, Brian McNulsty, Stephanie Turner, Philippe Meyer, Nicki Damm, and Lynda Wendelken. Contact person is Lesley Browne, (03) 328 9478.

I wish the Christchurch Club every success in their efforts, and look forward to working with them much more in the future. Beatrice, President
