Picnic, Sunday 10 February 2002.

Usually a scorching hot affair with lots of people sunning themselves and walking and playing outside, this time this was not so. A squawly rainy rather cool day had a lesser number of people huddled inside the hurriedly mounted plastic shelter under the roof, having a most pleasant time and enjoying a delicious meal, of which there was plenty to have.

It was good to hear the sounds of the alphorns, among them a New Zealand made version! And Albert entertained us with some lovely tunes on the Schwyzerörgeli.

In between showers some bowling took place and the Enzo cup was won by Beat Suess. The Enzo Cup is so big, he had to bring it home in a helicopter. And as he took off for home, he made a most gracious bow.

All the other outdoor activities- shotput, sack races, orienteering, etc. were cancelled due to bad weather. A rainy day, but nevertheless a lovely picnic, and thank you all for coming and making it lively and merry, and for helping us out with the surplus food.

Welcome to our new member, Egon Eberle, who has joined us recently. I hope you find good companionship among us Swissies.

Family Walk

Sunday, 7th April, 10.00am

The club is organising a family walk in the Pirongia area for all age groups.

There is a nature walk which would take about one hour of very easy walking on a well graded track, with some board walks, and two or three very short sections of steps. This would be an ideal walk for young children and the not so young.

Fitter people could tackle the more difficult but rewarding track up to Wharauora, time there and back being about 3-4 hours. On a fine day one can see large parts of the Waikato.

Everyone should bring their own picnic lunch and drinks in a small backpack. We will meet at the carpark above Park Lodge at about 10.00am.

Directions: From Hamilton, drive towards Pirongia on S.H.39. After Te Rore Hall, turn right into Te Pahu Road; left into Hodgson Rd; left into Grey Rd. At the end is the Park Lodge, where you drive up the short narrow road to the top carpark. If the weather is doubtful or you need any further information, please ring Vitus on 07 855-2841 before 9.00am.

This day trip will replace the weekend we had booked at the Lodge. There was not enough response for this so the venue was cancelled.

Annual General Meeting

Saturday, 13th April, 7.30pm

The club's AGM will be held at Swisscraft, Colombo Street, Frankton, commencing with drinks at 7.30pm, followed by the meeting at 8.00pm. As always, the club needs a hard working committee and we are always looking for more helpers. Many hands make light work! Please consider joining our committee - anyone interested is welcome to contact an existing committee member, who will be able to inform you about what we do and nomination at the meeting.

We look forward to seeing you there and showing your support.

Interclub Sports

On February 9 we held the semifinal of the annual Cowbell competition against Wellington. We were all amazed to see Roland arriving on time... for a 'Bärner' that was totally impressive!!

We had a lunch of Bratwurst and Cervelats while chatting to our friends, before the serious competition started.

Wellington suggested that 'woman power' be put to the test in the Steinstossen, together with a couple of men trying their best - a great effort with everyone pushing themselves to the limit!! Taranaki were the eventual winners. Adrian Drummond showed his muscle, with Markus Rufer not far behind.

With the shooting already firmly under our belt, we then competed in the Kegeln - Taranaki winning this in style with Peter Gillbanks and Remigi Zimmermann top scoring. Well done, guys!!

The card players had a good tussle, with the result being a draw, but we edged them out on a count back of points. Congratulations to all the card players... all that practice must be paying off!!

Congratulations to all participants, as without you there would be no competition. The result really is

immaterial, when you consider the friendship and enjoyment that this competition provides. We appreciate the efforts of the Wellingtonians in heading north to ensure the competition survives. Fun games of cards and kegeln, together with chatting, were held until the dinner of cold meats and salads. There was a wonderful variety of salads, and this meal was enjoyed by all. Further chatting continued after tea... one would have thought we'd have run out of things to talk about!! Not us!!!

Our respective presidents gave short speeches filled with laughter... with Roland telling Taranaki members that they had lost on purpose as Walter had promised them free entry to our entertainment at Queen's Birthday Weekend if they let Taranaki win!! Is there something you're not telling us, Walter? A great day was had by all!!!

Annual Picnic

On 10 February, we held our Annual Picnic, which started off in windy and coolish conditions, but fortunately it ended up being fine all day... a big improvement on last year!! The grounds, once again, looked immaculate thanks to our ever loyal Don Luond; and the committee and helpers ensured that everything was up and ready in anticipation of a good crowd... and we certainly weren't disappointed with the turnout!! The barbecue was fired up, and Ros, Johnny and Adrian did a great job (not too many burnt ones, or they did a great job of hiding them!), and Erna and I were lucky not to wear any sausages as the barbecuers raced each other!!

Don Luond had the fishing (children's activity) under control

and did a sterling job... those kids really enjoyed it, and I think Don did too!! The Schwingen commenced with a good range of competitors - from midgets to seniors. A good crowd watched the Schwingen, bolstered by a group from Switzerland keen to watch our talented youngsters. Once again, the Ruchtis showed their strength and experience, with Janeck edging out Sven. You guys must have been practicing for a while... good on you both and congratulations!!

In the junior section, Thomas Werder out-muscled Erwin Hebler in the final... you kids provide great entertainment - do keep it up!

Thanks to the organisers and helpers at the Schwingen - it certainly is a wonderful attraction. Even TV7 (Taranaki Channel) filmed you!! Meanwhile, a battle was developing in the Steinstossen (for which we have a cup) with the winner being Anthony Sherman (14.40m) and runner-up Julian Suter (13.55m). In the ladies' division, Marlies Hebler edged out Heidi Werder, and the conqueror in the juniors was Sami Werder. Congratulations to all competitors on the day... it's your involvement that ensures the success of the picnic.

A tombola was also held, with a great selection of prizes up for grabs. Thanks to Erna for organising it all... and thanks to all the loyal people who supported this raffle.

This year we were fortunate to have Peter Arnold at our Picnic - he sang a couple of yodels beautifully, much to the enjoyment of the crowd. Many thanks also to Peter Canziani, who played the accordion throughout the afternoon, which added to the great atmosphere.

And another lady turned on the oven to heat up the soup on the ring!! We won't mention any names, eh Erna and Christine!! Oops, sorry ladies, but I'm sure that you will get me back!

Many thanks to our members who attended the picnic, and huge thanks to the committee members and helpers who ensured the day would be successful.

Adolf Mathias Flühler 1915 - 2002

Dölfi was born near Stans/Canton of Unterwalden in June 1915, the second oldest of three girls and five boys. Loosing his Mother at an early age he grew up as a foster child in the family of his Uncle. He had a rather sad childhood and remembered difficult times, particularly in the thirties, when unemployment in Switzerland was as high as 20-30 %.

In 1939, at 24 years of age, together with two brothers and one sister, he emigrated to New Zealand arriving in Wellington in the company of 23 fellow Swiss immigrants. Dölfi found employment on the farm of the late Miss Ida Bernold of Kaponga until becoming self employed. He became a well known identity felling trees and selling firewood in the Kaponga and Manaia area.

Together with Bob Hiestand he moved to Putaruru and on to Tokoroa where he built two shops and later set himself up as a shoe repairer. Doing justice to a full time business and taking care of his own household became too much and Dölfi then worked for many years pruning and planting trees for the forestry department at Tokoroa. During this time he purchased a section at Cooks Beach on the east coast of the North Island and travelling from Tokoroa on weekends he built himself a house. Consequently he moved to Cooks Beach building two more houses in his spare time and working for contractors building bridges and taking on general roadworks.

In 1985 Dölfi returned to Kaponga to be near the mountain he often talked about and to enjoy the activities of the Swiss Club. He loved to play Swiss Cards. - Sadly in 1993 Dölfi was diagnosed with a very rare disease of Anemia and with progressive ill health he finally moved to Trinity Rest Home in 1999, where he spent the rest of his days.

The Requiem Mass for Dölfi was celebrated at St. Patrick's Catholic Church on Friday 18th January 2002.

*A condensed eulogy presented at Dölfi's funeral
by Eddie Füglistaller.*

Dölfi Flühler will be fondly remembered
by his many Swiss Friends and Acquaintances.

May he rest in peace !

Past Events

27th January - Shot-put, Shooting, Outdoor Activities

A pleasant afternoon at the Clubhouse, outside in the sun or in the shade. The Swiss Society Competition was taken seriously, but not too seriously.

9 / 10th February - Semi-final of the Cowbell Competition in Taranaki

Eleven Wellington youngsters made the trip to Taranaki, and we were welcomed with traditional Taranaki hospitality - it's always good to meet old friends and make new ones. The competitions on Saturday afternoon were fierce. We did our best, but didn't forget our responsibilities as guests - we let our hosts win by quite

a margin! In fact, they almost apologised, and prepared an extra rich dinner for us!

On Sunday morning, the went went shooting again, over 300m with the Karabiner. Roland did us proud - he is 'Schützenkönig'. Well done! Soon after lunch there was the traditional Taranaki Schwinget, and although a certain Wellingtonian had challenged a Taranaki member the night before, it was an all-Taranaki affair, with very talented youngsters. Some of us reluctantly drove home again on the Sunday afternoon, whereas the luckier ones stayed on for another day or so.

Many, many thanks to Walter Seifert and his crew, and to all in the Taranaki Swiss Club who made us feel so welcome and were so generous with their time. We are looking forward to seeing you all again soon!

Forthcoming Events

10th March - Brunch Sunday Walk

The after-brunch program is up to you - go for a drive to the coast; or for a walk in the Rimutaka Forest

Park; or enjoy a swim in a waterhole along Moores Valley Road - or simply stay for a Jass and a chat with friends.

24th March - Easter Eggs done the old-fashioned way

Bring your eggs and we'll show you how to dye them at the Clubhouse on Sunday afternoon, from 2.00pm to 5.00pm. For further inquiries, ring Trudi, 562 8019).
