## Obwalden Grows Bigger

Obwalden has grown bigger by six-and-a-quarter acres. The two half-cantons of Obwalden nad Nidwalden have announced a friendly solution to a vexed border dispute that appears to be centuries old.

It seems high in the Border Mountains the exact canton boundary had never been defined exactly. So after much hair-raising cliff climbing and abseiling by a highly motivated team of surveyors and engineers, a definite border line has finally emerged.

Obwalden has grown by 25,000 square metres and Nidwalden has shrunk by the same amount .

## The Value of a Smile

It costs nothing, but creates much.  
 It enriches those who receive without impoverishing those who give  
 It happens in a flash and the memory of it sometimes lasts forever.  
 None are so rich they cannot get along without it and none so poor but richer for its benefits.  
 It creates happiness in the home, fosters Goodwill in business and is the Countersign of friends.  
 It is rest to the weary, daylight to the Discouraged, sunshine to the sad and Nature's best antidote for trouble.  
 It cannot be bought, begged, borrowed Or stolen  
 It is something that is no earthly good To anybody until it is given away.  
 Nobody needs a smile so much as those Who have none left to give.

'Well, it's not raining out this way -'

## Living - What is Living?

We think Thomas Dekker describes the Joy of Living beautifully with the following words:

To awaken each morning with a smile brightening my face;  
 To greet the day with reverence for the opportunities it contains;  
 To approach my work with a clean mind;  
 To hold before me, even in the doing of little things, the Ultimate Purpose toward which I am working;  
 To meet men and women with laughter on my lips and love in my heart;  
 To be gentle, kind and courteous through all the hours;  
 To approach the night with weariness that ever woos sleep and the joy that Comes from work well done -  
 This is how I desire to waste wisely my days.
