dance to, or just listen. A BIG thank you to all the organisers for a job well done, and we're banking on you again next year!!! A delicious supper was held just before midnight, then the countdown began!!! Everyone wished each other a Happy New Year with a complimentary glass of wine. All too soon this great evening came to a close...well for some of us anyway!!! Many continued to sing, tell jokes or play cards to the wee hours of the morning.

On New Year's evening about 60 of us went to the Stratford Club for tea...we all had a delicious meal and enjoyed each other's company... reminiscing about the previous evening or the previous, year!!! A wonderful way to end the year, and a terrific way to start the new one!!!

Friendship is something to be treasured for a lifetime

Friendship is more than just having someone to talk to and laugh with. It is listening. It is taking a chance and sharing part of yourself with someone else.

It is sometimes giving much more than you are getting; but being thankful that you are there to help your friend.

Friendship is the belief that someone else's happiness is important to your own. It is knowing that this person represents something special. Something to be treasured for a lifetime.

Christine McCarthy

The true meaning of friendship

Some people will be your your friend because of whom you know
Some people will be your friend because of your position
Some people will be your friend because of the way you look
Some people will be your friend because of your possessions
But the only real friends are the people who will be your friends
Because they like you for how you are inside

That is the true meaning of friendship

4 LETTER WORDS

A young couple got married and left on their honeymoon. When they got back, the bride immediately called her mother. "Well," said her mother, "so how was the honeymoon?" "Oh, mama," she replied, "the honeymoon was wonderful! So romantic." Suddenly she burst out crying. "But, mama, as soon as we returned, Sam started using the most horrible language - things I'd never heard before!! You've got to come get me and take me home. PLEASE MAMA!" "Sarah, Sarah," her mother said, "calm down! Tell me, what could be so awful? WHAT 4-letter words?" "Please don't make me tell you, mama," wept the daughter, "I'm so embarrassed they're just too awful! COME GET ME, PLEASE!!!" "Darling, baby, you must tell me what has you so upset. Tell your mother these horrible 4-letter words!" Still sobbing, the bride said "Oh, mama ... words like DUST, WASH, IRON, COOK ... "I'll pick you up in ten minutes," said the mother.
