PAST EVENTS

The Annual General Meeting reinstated most of the committee, and only a few changes were made in the ranks of the "Action Group":

Maria Hillensbeck, Markus Schwarz and Barbara Ashton-Egli did not wish to be re-elected, and to offset their departure were the new election of Ursula Nixon and Fritz Scheidegger, the latter having had involvement with the club in its earlier times. Welcome back. Ms Karin Ruger, attache to the ambassador Ms Matteuci, graced us with her presence with greetings from the ambassador. Thank you for your visit and the fine chocolates.

Thank you to the 30-odd people who gave us the honour of attending the meeting, and to all the members thank you for the trust you place in this committee.

We will do our best to do the club justice.

The farm is becoming the main centre of activity and thanks to constant improvement of facilities and access, gaining in attraction, with the shooting

as the central part of it. We are indeed privileged to be in possession of such a precious piece of land.

We, the committee, look forward to another year filled with many happy moments with the club.

A delegation of a dozen travelled to **Hamilton for the Semi Final** of the Cowbell Competition on Sunday 27 April 2003. We were greeted very warmly by the Hamilton club at their HQ at Swisscraft, where we were looked after splendidly.

We dominated the Jassen, the Steinstossen, but somehow the Bowling went decidedly their way, which goes to prove that a little bit more practice probably would have worked (No, it had nothing to do with better knowledge of the Kegelbahn, I'm sure). But we, Auckland,

won the overall competition and are now faced with the big bear, Taranaki, in the final, at the Society AGM, which by now will have been decided.

What was clarified was that there is only one small cowbell to be held by a club at any year, and it goes to the runner-up to the big Cowbell winner, not to both finalists. So the winner of this small bell is decided only at the final competition. Taranaki here we come!

Crafts:

As you can see on the photo, a few women got together before Easter and learned to make some exquisite Easter decorations, of course also how to decorate eggs in a very elegant manner.

This was done under the supervision of Edith Hess who is a well of beautiful ideas for any kind of craft. Edith is an active member of the Takapuna Floral Art Club and is routinely exposing herself to the toughest competitions with success. She is a woman of many talents!!! And we are lucky to have her in our committee. The interest in the craft class was so great that she is planning another such craft day. See under 'Future Events'.

Card Evenings

Our First Card Evening of the winter in Matamata was held on 26th April with an impressive attendance of 46 card players. It was our first time at this new venue, and it seems that most people didn't have too many problems finding the hall by the map we provided. But for Anna and Bruno it was a good thing the evening started with the medal competitions, as they did a detour to check out the Cambridge hall first. And yes, they did get to Matamata in time for the first round !!

There's always plenty of help at hand for 'kitchen duties' - from left Helen Staheli, Gritli Rust, Gabriella Burch and Margreth Meyer, helping out during the Interclub Competitions.

Two weeks later, on 10th May, the venue really was the Union Parish Hall in Cambridge, again the first time at a new hall, and again, most seemed to find it quite easily. Apparently though, a few people couldn't see the hall because it wasn't 'lit up' and it didn't seem like anyone was there. But we were only doing our little bit to save power! Unfortunately, due to a bit of a mix-up, we didn't use the room that had originally been seen when we chose the venue. With a turnout of 50 players, it did become rather like 'sardines in a can', and at times, as everyone tried to talk above everybody else, it did become quite loud, and stifling hot! No heaters were required, despite the chilly temperatures outside. However, from now on we will be using a larger and far more comfortable room for our card evenings.

As always, we could enjoy some delicious suppers on both evenings, and a big thank you goes to all those involved in the catering on both evenings.

Thank you also to the 48 players who took part in the Swiss Society Medal Jass competition.

Winners of the first two card evenings are as follows:

Interclub Cowbell Semifinals

About 18 Auckland Club members came to the Swiss Craft premises in Hamilton to compete in the semifinal and a chance to win the Cowbell at the forthcoming final in Wellington. Following morning tea and a chance for an initial catch-up with our northern friends, it was time to get down to business, commencing with bowling. Once the card players had finished bowling, they took their places at the card tables for the first round. Soon it was time for lunch - hot soup, barbecued Fleischkase and home-made bread - and another chance for a chat. After lunch, the second round of cards was played, and the strongest of the men did their best to throw the 15kg stone as far as possible in the shot put.

With all the sporting activities completed, it was time for afternoon tea, and to announce the results. We had already lost the shooting, which took place in February, by only five points. Auckland had now also beaten us in the shot put and cards, so the bowling competition was the only one our Club was able to win. This means the Auckland Club will now be competing for the cowbell in Wellington. We wish them all the best of luck in bringing the cowbell northwards.

Our thanks to everyone who helped with the catering and organising for this day, and also to Herbert and Willetta for the use of the factory premises.

Hamilton member, Joe Staheli, prepares to bowl, under the watchful eye of Club Riflemaster, Hans Vetsch

Schi Hutte Fondue.

Old wooden skis with leather bindings and leather boots decorated the room and gave the cozy atmosphere for the fondue evening. It was wonderful to see so many old and new friends and may be, some new members?

The evening started with a short address from the Ambassador Madame and Mr. Matteucci.

Unfortunately they could not stay for the meal, however they donated a huge, gorgeous "Chocolate Bunny" for the Tombola on Queen's Birthday Weekend.

The meal was of its usual high standard starting with a colourful salad plate, Roland's superb cheese fondue and pears and chocolate cream for pudding. Heinz organized a few fun games and the evening continued until the early hours of Sunday with "Kaffee Fertig".

Clarification

Unfortunately in the May issue of the Helvetia I printed Walter's name as the contact for people wishing to book for the bus trip to Wellington, but put my phone number!!! I'm just clarifying that although Walter and I do see a lot of each other through being on both the Taranaki Swiss Club and Swiss Society executives, I don't live at his place, nor he at mine!!! Sorry if I inconvenienced anyone!!!

Kegeln

The championship nights for Kegeln have now come to an end ... and the lucky winners sorry the skilful winners were as follows :

Ladies - 1st with 189 points was Frieda Meier with Ros Monti a close second on 184 points.

Men - 1st with 253 points was Mark Kiser (wow, you blew them away Mark ... hope you're as successful in Wellington with ten-pin bowling!!!) and second with 243 points was Johnny Bishop.

Well done folks ... your perseverance has paid off ... each winner and runner-up receives a beautiful medal ... so come along members give it a go for next year ... you never know where your talents may lie ... and revealing them in Kegeln may pay great rewards!!! Kegeln now takes a break until October, so Johnny and company look forward to seeing you then!!!

Preiskegeln and Fondue held on 17 May

The day started with shooting at 11am under the guidance of Mark ... both the Championship Shoot and the Society

Shoot could be played for. They were kept relatively busy with a steady group of participants. There were plenty of people ready to help if required ... and I for one needed that help ... however all the help in the world won't get me a Society Medal in Shooting ... participation is the name of the game, so my participation will help someone else get a medal!!!

The Preiskegeln started at 1pm with, once again, a steady flow of regular participants ... it would have been nice to see a few more faces. However the competition was very friendly ... but having said that everyone was trying very hard to win a couple of cervelats!!! For some of us, the cervelats turned out very expensive, to others they were to have a great morning tea!!! Thank you John for taking the scores all day, and being patient with a rowdy bunch!!! After the three-and-a-half hours of constant skittling, the eventual winners were ... in the ladies Lisette Benkert (after having to play-off twice!!!) with runner-up Heidi Seifert ... in the men Adrian Drummond was the winner (with two tens ... but we won't say what some of his other scores were!!!) with a tie for runner-up between Sepp Kiser, Mark Kiser, Johnny Bishop and Ruedi Benkert ... the conqueror being Johnny Bishop!!! Style of the day went to Paul Suter ... and hopefully I will be able to show you his great style with a photo in the next issue of the Helvetia!!!

Well done to all the winners, and thank you to all the loyal participants who spent most of their day watching or playing kegel. Everyone had heaps of fun ... and that is the main idea!!! Some will eat cervelats all week ... others ... well, they might just have to do with the bread that normally accompanies the cervelats!!!

After the kegel had finished, it was time to get ready for the ever-delicious dinner. Scrumptious fondue and / or delicious Cervelats and salads ... great choices ... and most ate of both varieties ... good on you!!! The fondues were once again prepared by our super chefs, Erna and Lisette ... and we certainly heard many compliments about the fondue and salads ... so thank you very much ladies for the superb food you prepared. Markus you did a sterling job as our scrubber of pots and dish washer extraordinaire ... I hope you don't have dish pan hands for TOO LONG!!! Thank you for your great effort. The trophies were then presented to worthy recipients. The children had a fun game of trying to figure out how many lollies were in various jars ... some did exceptionally well ... however all families received at least one jar of lollies so that the prizes were shared ... what a wonderful idea ... the children did very well organising this game and distributing the jars. The usual raffle was held, and very well supported ... thank you all very much. Thereafter, music was

played by Aaron, Zeno and Maria, which was terrific, and many enjoyed dancing or listening to you. The day was a great success, and we thank all the helpers and especially all the loyal members for supporting this event. A big day for the committee to organise and your attendance is always appreciated.

Forthcoming Events

June 8 & 22 Cards ... again!!! Wonderful pastime, so join in.

June 15 Championship Shoot at 1pm ... give Mark your support. This is an enjoyable sport, and plenty of people on hand to help you.

July 6 The annual Anniversary Shoot will be held, with shooting from 11am to 3pm. A scrumptious sauerkraut and pork meal is served at 5.30pm with raffles and music to follow. This is an excellent social day, with a delicious meal. All competitors receive a prize, so come along and give shooting a go!!!

July 13 & 27 Organised cards for the last time this year. Great fun playing euchre or jassen. Participate in the fun and friendly rivalry.

August 1 This year we will be celebrating the Swiss National Day on 1 August as it is a Friday. All members will be contacted closer to the time, so please make the committee's job easy and attend!!! Lots of traditional Swiss entertainment will be provided.

2002 - What a Year For The Marine Insurance Industry

The expectation of a better year for the world marine insurance market was shattered, following a series of major losses.

Some of the high profile losses make interesting reading :

“**Hual Europe**”, a car carrier, grounded with full cargo - estimated loss US\$80.1m.

“**Diamond Princess**”, a newly built vessel. Severely damaged by fire in a Japanese shipyard - estimated loss US\$300m.

“**Tricolor**” carrying a cargo of vehicles sank in the English Channel after a collision with the “**Kariba**”. Losses are estimated to be over US\$80m.

“**Limburg**” a super tanker, exploded off the Coast of Yemen, suspected terrorist attack - estimated loss US\$77m.

Other serious losses include the “**Prestige**” (with associated oil pollution along 200kms of coastline); the “**Jolly Rubino**”; the “**Hidir Bay**”; the “**Hual Troubadour**”; the “**Treasure Bay**”;

and the “**Alva Star**”.

In New Zealand of course, we had the Jody F Millennium grounding at Gisborne. Losses estimated at NZ\$42m.

This unprecedented run of casualties will mean increases in rates in the world marine market, as marine re-insurers will meet a large proportion of these claims.

Before the losses of the “**Prestige**” and “**Tricolor**”, Lloyd's were already estimating world marine market losses at US\$800 million!!! It is thought that the loss of the “**Diamond Princess**” alone would account for London's hull premium income for the year - OUCH!!!
