Swiss Singing Group

This group performed for several organisations in the last few months, and their performances were greatly appreciated. You really provide a wide variety, and I am certain that this appeals tremendously to your audiences.

As Zeno was on holiday in Switzerland for a few weeks, Marianne played the accordion for the group ... certainly not with the talent that Zeno has ... but none-the-less, tried my best!!! The odd hick-up here and there was hopefully not picked up by our audiences.

Grateful thanks to Leo who always helps us out ... we really appreciate it!!!

My thanks also to Josie and Tilly who baby-sat Daniel while I played ... he must have been getting heavy after three quarters of an hour!!! You did a terrific job!!!

Anniversary Shoot

This was held on July 4. Luckily the heavy rain and winds had stopped by the morning and a lovely winter's day was had with a very good turnout for the competition of either shooting or skittles.

There were 78 competitors. Everyone enjoyed the delicious rippli and sauerkraut at 5.30pm and with non competitors we ended up with ten more than last year. Soon after, we handed out all the cups, medals and trophies for the 2003-2004 smallbore shooting season.

Then we started reading out the scores for the days competition where everyone receives a prize of either a bottle of wine or a packet of cervelats. The winner of the shooting was Edi Fuglistaller, with runners-up Jean Fuglistaller, Joe Kaiser, Nita Kaiser, Regi Mathys, Joe Kiser and Emmi Kiser. First in the keglen was Kath Zehnder with runners-up Kelly Sherman, Franz Schuler, Gaby Mulholland, Beni Noetzli, Christine Amstalden, Alois Luond and Mathias Seifert (from Marianne - with all these fantastic results I think we will need some of you in the semifinal of the Cowbell competition in Wellington and then hopefully the finals in Hamilton ... so make plans to have those weekends off!!!).

The evening continued with the more favourite, for the children at least, the spinning wheel and the mystery prize and name draw prizes. Mystery prize winners were Maria Nolly, Justin Boag, Othmar Hebler, Walter Seifert, Peter Mulholland, Heidi Kiser, Sepp Kiser, Bryce Kaiser and Andrea Hebler. The booby prize went to Maria Nolly. Name draw prizes went to Othmar Hebler, Sami Werder, Leo Danz, Maria Nolly, Hayley Kells, Natalie Buhler, Regi Mathys, Daniel Drummond, Nita Kaiser and Thomas Werder.

The evening ended with a small supper. To conclude my report, I would like to thank all the supporters, sponsors, and helpers who made the smooth

Card Evenings

Yet another two card evenings have been held, with the 2004 competitions now nearing an end. Competition is very close for the overall prizes, so much will depend on the final round.

Our fourth evening was held on 18th June in Matamata, where we had 48 players, and at the fifth evening, held on 2nd July in Cambridge, 42 players contended. As always, we were treated to delicious suppers, enjoyed each other's company, and had a lot of fun playing the six rounds of cards. Many thanks to everyone involved in preparing and serving the suppers. At the conclusion of each evening, nine lucky players were also able to take away a prize. They are:

Obituary - Otto Fitzi

Otto Fitzi was born in Gais, Appenzell, on 9th August 1928. As a young man, he went to the Landwirtschafts Schule in Kaltbrunn with the ambition to be a farmer, and then went on to work on a farm in Denmark. In 1951 Otto left Switzerland and came to New Zealand hoping to farm, but first started to work as a carpenter, also building his own house. He fell in love and in 1956 married Anneli Meier, and together they ran the Beerescourt Dairy in Hamilton.

Around that time Otto and Anneli were also both involved in the formation of the Hamilton Swiss Club, where local Swiss could meet once a month to play cards, dance or just have a chat... Anneli was the club's first secretary. Otto loved playing cards, music and singing.

In 1964, Otto's dream came true when they bought their own farm

in Walton, where their two sons and daughter grew up. He also joined the Swiss Yodel Club in Auckland, where he sang and played his Hackbrett. Sadly, Otto lost his beloved wife, Anneli, many years ago.

He travelled back to Switzerland many times, where he met and married his new wife, Myrta. She joined him in New Zealand, and they lived together in his new home on the farm in Walton. Sadly, Otto then contracted cancer, and suffered greatly. He was finally released of his pain when he passed away on the 13th April, 2004.

Otto is badly missed by all of his family.

Our deepest sympathy is extended to Otto's family from the Hamilton Swiss Club.

May he rest in peace.

the Matangi Hall, just across the railway line east of Matangi Village. Matangi can be accessed via the airport turnoff at Tamahere, at the Silverdale Rd intersection on Morrinsville Rd or via Tauwhare Rd. This should be a fairly central location for most members. Please arrive about 7.30pm in time for the fondue being served about 8pm. Please also remember to bring your fondue sets and forks clearly marked if you have a set. The club also has quite a few sets in case you don't own one.

As well as the fondue, we will also be serving a selection of swiss cold meats, followed by coffee Schnapps and a great selection of homemade Swiss baking.

The cost will be the same as last year, \$22 for members and \$25 for non-members. School age children are half price and pre-schoolers are free.

The band for this function will be "The Sound of Switzerland" from Auckland and should be as popular as ever with dance music as well as some great entertainment and yodelling by Peter Arnold. During the evening, there will also be the presentations of the Swiss Society Medals as well as our own Hamilton Club Trophies.

Please be there to collect your medal or support fellow members. For further details please phone Anita (07) 856-2414.

Winter Family Walk - Hutt River Trail

On 4 July, 2004 a small group of our members walked the southern portion of the Hutt River Trail between Petone and Stokes Valley. It was a beautiful, clear and crisp winter's day and the group enjoyed the lush greenery of the river and its surroundings. We also took an occasional pause to take in sights of historic interest.

Towards the end of the walk the snow-clad Tararuas also came into view and reminisces of real tramping in the same hills quickly put into perspective the rather puny 80m climb to afternoon tea at the end of the walk.

We look forward to our next 'expeditions' in our upcoming series of walks:

12 September 2004 - Spring Sunday Walk, Makara Walkway Circuit

9 & 10 October 2004 - Annual Family Tramp, Powell Hutt, Mt. Holdsworth

Berner Abend:

A typical Swiss evening with a delicious dinner and entertainment by Swiss musicians, with Swiss music, is planned for the 4th September, 2004 at our clubhouse.

Our next Fondue Evening will be held on the 16th October.

Failure is only the opportunity to begin again more intelligently.
Henry Ford.

Dear Auckland Swissies,

It's now official, the Cowbell, the trophy for the Swiss Society Games which we WON THIS YEAR!, has a very special place at the Milford Cafe (Franz and Evi's bakery) for everyone to see. Hopefully it will stay there for a very long time and we can be assured that Franz and Evi will dust it frequently. The Milford Cafe is also the place where the Swiss go for breakfast on a Saturday morning. Franz and Evi have kindly arranged the seating with a big block table in the middle with "Reserved" sign on it and if you are Swiss, or associated with the Swiss, that is where you sit. That's if you don't want to sit undisturbed and quietly read the paper. A lot of important news is shared at that table (no, not gossip, never!).

The Dinner by Candlelight was held on Saturday 19 June and was attended by 37 people. The "Stubli" at the farm was aglow with the countless flames of candles that Edith so lovingly arranged around the room. No electrical light was needed, let alone heater. We enjoyed a delicious 3-course meal of Soup, Fleischvogel and Spätzle with fresh salad, followed by the most exquisite dessert - Diplomat cream? - And everyone had by their plate a little chocolate truffle (for coffee) and a bun in the shape of a bird (for the soup), which could only be because everyone there was extra special guest for the night. It was like we were all part of Edith's big family. The yodlers who attended entertained us with their favourite songs.

There was lots of laughter and excitement when it came to drawing the raffle for the weekend at Coromandel. In the end it went to Martin Van Doorn - congratulations. And the birthday "girl", Yvonne Buhler, won the door prize. Thank you, Edith, for preparing such a lovely ambiance and meal, to those who helped prepare it, and thank you all for coming and making the evening possible and ever so lively.
