From the Shooting Corner

The 50 metre shooting competition was held 23rd February 2008 at Karapiro. It was very windy and it tried to rain all morning. Much to the farmers' disappointment and to the shooters' delight, it stayed dry right through the competition. 20 members and friends took part in the competition, and the top four are: George Russenberger, Heinz Leuenberger, Vitus Achermann and Ueli Elmiger with last year's winner, Belinda Cooper, in 5th equal place with her husband Paul. Thank you to all the participants and a special thank you to Erika and Ueli for their generous hospitality.

The 300 meter shooting weekend is getting closer, ie 24th and 25th May. It will be held at Kaukapakapa (the usual place). I will send you more information next month. Please get those email addresses through to me on: verena.vetsch@hotmail.com

Hans Vetsch

The Annual Picnic was held on Sunday 24th February at the Newstead School. The previous two days had been quite showery, and we had rain right through the night on Saturday, so there were a few nervous people and we had quite a few phone calls to see if the picnic was going ahead. Much to everyone's surprise, the rain stopped about 9am and started again about 4.30pm, just when we started packing up. It was still a bit windy throughout the day but lots of members and non-members alike turned up in droves and it wasn't long before the Kegel competition got underway and the grilled sausages were ready. This year we had all the food as well as the activities at the rear of the building and together with a few Swiss decorations, big cowbells and some Swiss music there was a lovely atmosphere. After lunch we

were even treated to some live entertainment, thanks to Kurt on the Swiss accordion, together at times with his new-found apprentice, Walter.

We were again supplied with big quantities of Zwetschgen, thanks to Peter Schuler from the White Cross Orchard near Whakatanu. This year all our members had the opportunity to pre-order so we hope nobody missed out.

Throughout the day we had queues at the sausage stand as well as big queues when the cakes and coffee went on sale. Many thanks to all the helpers, especially those not on the committee who offered to help as well as doing baking.

The Kegel competition, as well as the shotput was well supported throughout the day. Congratulations to all the winners and to all the hopeful medal recipients. Trophies and medals will be presented at our Fondue Evening in September.

During the afternoon the children were treated to a lolly scramble but for the rest of the time everyone seemed quite happy entertaining themselves, biking around or using the adventure playground. I don't think it was hot enough to use the pool. A great day was had by all and then it was already time to pack up. Thanks to everyone for your help.

WELLINGTON

Past Events:

Sunday 24th February - Family Summer Picnic in Akatarawa

The weather did not look too good but Heinz and Trix were confident the sun would come out and make the day a perfect gathering for the young families and their children. The playground was groomed and looked so inviting with all the bright colours that the children could not resist trying all the toys out.

To be on the safe side Heinz put a marquee up in case we needed shelter. The sausage-sizzle was soon under way and the families spread the blankets out. We oldies had some seats in the sun or in the shade. Heinz was the barbecue-master and those sausages were cooked to perfection.

After the picnic we had a guided tour around the "Jäggi Park" in the sunshine. Oh, what a beautiful place, but what a lot of hard work must go into it! Heinz's newest project was the "Long Drop" with all comforts [water included] and again tastefully painted by Trix. My American guests enjoyed themselves and were impressed by the friendliness of the "Swissies" and of course "Jäggi Park".

I am looking forward to the next picnic and to see Heinz's new project. Thank you, Heinz and Trix, for inviting the Club to have such a wonderful time at your place.

**Saturday 15th March
Goodbye Barbara and Peter**

Barbara, Peter and their children have said "Adieu" to Wellington for the next 2 years.

They have returned to Wales to finalize some of their business. They have come to New Zealand to find out what the country would offer and they liked what they saw.

We are missing your contagious "giggle" and are definitely looking forward to seeing you back (and in the committee!), but in the meantime we wish you all the best in the old country.

**Saturday 15th March
Society Jassen**

Max Fuhrer organized the Jassen and found ten eager jassers to compete for medals. The evening and the first medal was won by the oldest competitor, Frank Rempfler, followed by the youngest player, Sibylle Sharma, who won the second medal. On third place was Roland Schütz. Congratulations to the medal winners! It was a most enjoyable evening, in good company, with lots of laughter.

Future Events:

**Saturday 19th April, 7pm
Annual General Meeting**

It is the end of our club year again. We need some new "Ideas" to make the Club a vibrant and an interesting place. It is wonderful to have seen so many young people participating in many events. This is your chance to have a say in what you would like to see happening in the club.

So please come to the clubhouse for the AGM. For more information call Roland at 568-6772. *VM*

munal evening in the hut, choice of breakfasts, Lunch and bakery items galore: What else could you have wished for? Dry weather!!!!

New Members' Day - It was a wonderful occasion for the Committee to meet ten of the new members of our club for lunch. For once the Committee members had time to talk to our guests without having to do a lot of other things. We had a meal together and thoroughly enjoyed each other's company. We got to know some wonderful new club members, the future of our club, and what's just as important, they got to know each other. If some of the new members missed out on being able to attend, we might be able to organise something similar, maybe at Rothesay Bay Hall. The new members' response was positive and exciting.

**Auckland Swiss Club
Schützenball 2008**

This year's Schützenball, held on 01.03.08 on our farm in Kaukapapa, had a little surprise element built in. The evening was structured into 4 parts.

Part 2 was - and are you surprised - dinner and dessert. Once again we have opted to engage a caterer to give all our hard working committee members a break so they were able to sit down once a year and enjoy a meal without preparing it first.

All the trophies have been polished for Part 3 of this evening and we were able to find new caretakers for one year. They were as follows:

The main championship (Val & Terry Mason Trophy) went to Michael Buentner. The Ladies-Cup changed hand for the first time ever (15 years at least) to Andrea Matysik.

There is also a new name on the Heidi & Heinz Leuenberger Junior Trophy: Gerhard Lanz is the new owner. The Round-Robin-Competition went to Gerhard Lanz as well, and Gerhard also claimed the Gold Medal in the Swiss Abroad Shooting Competition! Everyone would agree that this is a good effort but knowing that Gerhard is only 15 years old makes this an outstanding and enormous achievement. Congratulations to you Gerhard and all the other winners! May the cups and trophies come back next year as polished as they went out.

Part 4 of the evening belonged entirely to the "Sounds of Switzerland" with their great reputation of Swiss traditional music. The time just flew away, and too soon the night came to a close.

Part 1 of this evening contained the surprise element and was the main attraction of this evening:

For quite some time the bush telegraph had been in overdrive and the other day I had it confirmed that Hans and Sylvia Enzler have finally made the decision to go back to Switzerland. Mind you: A few years back Hans had asked Sylvia to accompany him to New Zealand for 5 years. Finally she has convinced him that the 5 years are up (50years later).

Ever since the Swiss National Day 2007, Peter Deutsche, Marcel Ruedi and I have collected information and stories about Hans & Sylvia Enzler's life in New Zealand. On the Day we were able to pro-

duce a lovely book created by Valerie Mason: **This is Your Life!**

The following people told some very funny and moving stories: Hans Fitzl, along with other stories, revealed that Hans lost his freedom on Freedom Hill, as he proposed to Sylvia on Freedom Hill in Appenzell a few many years ago. Terry Mason had some good stories of some great hunting trips, Peter Deutsche spoke about the warm welcome he received from the Enzlers when he arrived in New Zealand, Martin Naef entered the stage yodelling, Marcel Ruedi and I focused on the Enzler's great help and never ending encouragement, their donations and mentorship.

I would like to sincerely thank you all for your contributions as you have created a very moving evening. Thank you all for keeping

it a secret. Just to see the surprise and glow on Hans & Sylvia's face made all the time we had invested worthwhile.

You know you're Swiss if:

- you have learned three to four languages and think this is completely normal
- you have ever been asked - upon stating your nationality - whether you live in the mountains and whether you can yodel
- you can pronounce "Chuchichäschtli" and you know what it means
- you have ever been asked who the president of Switzerland is and then failed miserably trying to explain why you've lost track
- you grew up believing all cows must wear bells
