# Auckland/Hamilton Shooting Report: 2012 Season

## Summary:

Once again we had a really good turnout, even though the weather was not always too accommodating to us shooters, especially Marcel and his crew at the target end. Once again, the junior and ladies shooters showed a strong performance. Very pleasing is that junior shooters are returning some very good results. After Luke Schmutz (2008) and Gerhard Lanz (2010), it was now Marcel Lanz turn as a junior shooter to outscore all of us. On the very last shooting opportunity of the year, he pushed his father off the throne. Congratulations to all the winners! Over the years I have seen a lot of Father/Mothers/Sons/Daughters duels and every now and then it is the juniors that are first up and make sure that we parents are not getting too complacent. I am looking forward to next year shooting season and hopefully some new shooters will find the way to the farm.
