Keglen

Johnny tallied up the Keglen results with only ONE point separating the top two men!!! We hoped they would bring this to the Cowbell competition on Queen's Birthday Weekend! Swiss Society competitions

We held our Swiss Society competitions on 18th May and were delighted with the turnout in competitors. It was great to see new members John and Kim Pennington with their three children competing in all the competitions and doing very well. Also neat to see Jakob Whakatutu, with his grandad Albi Schuler, competing in all the sports and excelling at them. Well done!!! Thank you to everyone who came and took part in the competitions ... for without your participation, there wouldn't be so many medals!!! First prize in the Jassen went to Marcus Rufer, followed by Josie Gillbanks, Frieda Meier and Heidi Seifert. The Keglen was won by Mathias Seifert and Adrian Drummond, followed closely by Ruedi Benkert and Peter Kaiser. The juniors' competition was taken out by Jakob Whakatutu, followed by Joshua Pennington. The men's Shot Put winner was Adrian Drummond, with Peter Kaiser second; the ladies' winner was Marlies Hebler, followed at a distance by Marianne Drummond; the juniors' winner was Jakob (yes, again!!!), followed by Daniel Drummond. The shooting was won by Mark Kiser, followed by Lou Butler, Bryce Kaiser and Ruedi Benkert. In the ladies' competition, the highest score went to Marlies Hebler and the junior champ was Jakob!!! Congratulations to all the winners and thanks to all competitors for their sportsmanship. It was an enjoyable day.

Swiss Society Cowbell Competition / Annual General Meeting

On Queen's Birthday weekend, the Taranaki Swiss Club hosted the final of the Cowbell Competition, together with the AGM of the Swiss Society. Our club house was open from 4.00pm on Saturday, with our members being joined by members from the Hamilton, Auckland and Wellington Swiss clubs. Thanks to our wonderful friend Trudi from Wellington (who always comes up with great ideas), name tags were made from wooden pegs ... a marvellous idea and easy to do!!! A simple meal of Spaghetti Bolognese with coleslaw was enjoyed, followed by a delicious "Zwetschgen crumble" made by Heidi Werder. And finally our great friend from

Wellington arrived ... Roland we should be used to your tardiness ... but you eventually found Kaponga!!! Members of the various Swiss clubs and office holders of the Swiss Society of New Zealand mingled and enjoyed each other's company ... some playing Jass, others chatting, while several others enjoyed listening to the music.

On Sunday morning, our northern neighbours from Hamilton were all ready to compete against us for the coveted cowbell. The four "Swiss" sports are Keglen, Jassen, Steinstossen (shot put) and Shooting. The results of the Shooting were taken from the previous Swiss Society competitions and we were lucky enough to win this ... so we were already one up. We started with the Shot Put, with our Taranaki men too strong for the Hamiltonians ... thanks Thomas for coming and helping us out ... we really needed your muscle!!! The Jassen then got underway; with four pairs contesting this event ... Taranaki eventually won this discipline. During the Jassen, the Keglen players started to try their luck or skill ... Doris tried really hard and top scored for the Hamiltonians, but unfortunately for them, the Taranaki folk were more accustomed to their skittle alley!!! Well done Heidi who top-scored, yet again, for us!!! So after a friendly competition, we were the very lucky winners by 4 – 0 ... it sounds like it was easy ... but it certainly wasn't. Many thanks to the competitors from both teams for the great spirit this was played in ... without you all eager to participate, there would be no competition. Having this event out of the way, people enjoyed the wonderful sunny weather and having a chat. Then, various soups were on offer, together with Wienerli and French sticks. Our team was getting the "lamb on the spit" organised and fired-up, then the AGM was held. Good discussions were held and then our Ambassador, Dr Marion Weichelt Krupski, informed us about various developments in matters concerning the Swiss Society and what happened during her time at the Embassy. She then advised us of her departure to Berlin. We were then treated to a beautiful 80th birthday of bread with cheese and drinks offered by the Swiss Society in recognition of this great milestone. It was great to see everyone mingling and enjoying a good old chat!!! A lovely dinner of lamb on the spit, ham, potato gratin and vegetables was provided, followed by a scrummy fruit salad. Entertainment was provided by our talented musicians (and an import ... thanks Conrad for

Swiss Club News

coming and providing an extra bit of zing!!) and the Singing Group who sang very well. The Tombola tickets sold like hot cakes and we would like to thank everyone who so generously bought so many tickets. Grateful thanks to Erna and Heidi for organising the great prizes ... with huge thanks to the Swiss Deli, the Embassy of Switzerland, Peter and Monika Canziani, and Othmar and Marlies Hebler for donating some terrific prizes. There were some happy faces around ... together with envious ones!!!

On behalf of the Taranaki Swiss Club committee I would like to thank everyone who came to any of the functions over Queen's Birthday weekend and helped create a great atmosphere. To our friends from the Auckland, Hamilton and Wellington Swiss clubs and especially to our Ambassador, Marion, THANK YOU very much for coming and we hope that you all had an enjoyable weekend held in terrific weather ... like we always have in the "Naki"!!! No, just kidding ... but what a vast improvement on four years ago!!! We all look forward to heading south to Wellington next year for another great weekend.

Lastly, I would like to thank our absolutely terrific committee and helpers for the huge effort they made over this big weekend. To all those who prepared food, the wonderful workers we had in the kitchen who washed and dried countless dishes, to the great musicians, to the people who helped clean up, to Doreen for washing many tea towels and to Lisette who did the final clean of the hall on Monday morning. Thanks to you all!!! Without you terrific people we wouldn't be able to host such a weekend!!!

Anniversary Shoot Report

The anniversary shoot was held on 5th July with a very good attendance of about 90. Shooting was interrupted briefly by a few passing showers. In total, 47 took part in the Shooting or 9-Pin Bowling for a packet of Cervelats or a bottle of wine to be handed out after tea. As usual, the cooks – Heidi, Marlies, Margaret, Erna, Doreen and Vreni, assisted by the Committee members, did a splendid job of cooking the pork, sauerkraut, peas, potatoes, Wienerli and of course, Margaret's red cabbage. A great feast was had. After the dishes were done, I handed out the small bore cups and trophies. Here are the winners:

Men's trophies

Presidents cup:

1st equal: Remigi Zimmermann, Mark Kiser

Handicap cup:

1st equal: Bryce Kaiser, Peter Kaiser, Mark Kiser

Ladies trophies

Ashleigh Lodge President cup:

Engelberger Memorial cup (Handicap)
Aimee Connell

Lou Nolly Cup for Junior boys
1st Jakob Whakatutu
Runner up: Joshua Pennington

Erwin Kiser B Grade cup:

Fuglistaller C Grade trophy:

After this, the day's Shooting or 9-Pin Bowling scores were read out with their prizes of Cervelats or wine. Then we moved on to the raffles. Thank you to Heidi and Erna for purchasing and organizing the raffles, as well as to the children who keenly sold the raffle tickets. They sold like hot cakes. Thanks also to the many musicians who played beautifully whilst supper was served, and to everyone for coming to support our club and making it a very enjoyable day.

17 May - Fondue

This fondue was our first event after the April AGM. We had a good turn out, and a very yummy fondue, mulled wine and dessert, thanks to all our cooks! We enjoyed the attendance of new members and guests from overseas. As often, I brought my two little kids to the event, and they were happy to play with their friends while waiting for dessert. Impossible to leave before then with the little ones! Luckily the cooks are always understanding and let the kids be first in line for dessert. We also introduced the new committee of seven to the club members.

25 May – Shooting at Scherrer's Farm

We had a great turnout at the shooting tournament with lots of new faces wanting to give it a go. Strong crosswinds and rain added to the challenge but everyone did a great job (especially

Swiss Club News

the women!) and had fun. Thanks to our super coaches who were on hand for those who needed guidance and thanks to the Scherrers for hosting the event.

08 June – Jassen

We had two tables of card players; it was a good afternoon, in good company, with the usual surprises: "Ah, DU hesch de Puur gha!" or "Was isch eigetli Trumpf?" We enjoyed it, with all the surprises!

15 June – L'Escalade

It was a very small and intimate affair this year with only four families attending. Never mind, we had lots of fun! We made our lovely soup, raced around the block and re-enacted L'Escalade with the kids. The children had a great time and surprised us by how much they remembered from last year.

06 July – Jassen

Numbers were somewhat reduced, due to the annual exodus to Swiss summer, to school camp, rugby games, family commitments, house hunting, health issues, but the six players who came had a good time (and a cake for afternoon tea as hard as a brick).

August Jassen

No cards on 3rd August – maybe we could play cards at the clubhouse on 24th August, while other club members go on the club walk? The hard core Jassers will be contacted. Newcomers are most welcome; please contact Trudi on 56 28 019.

24 August – Club Walk at Turakirae Head

Come join us to see the seals, the coastal scenery and the fascinating geology at Turakirae Head on Sunday 24 August. We're departing from the Wainui Coast Road car park at 1pm and a gentle meander should bring us back to the car around 3-30pm. Please bring some sturdy shoes and something warm to keep out the wind. The walk is suitable for children but not for buggies. Common sense and some caution is required around the seals. More information about the Turakirae Head Scientific Reserve is available in Doc's leaflet at (<http://www.doc.govt.nz/parks-and-recreation/places-to-visit/wellington-kapiti/wellington/turakirae-head-scientific-reserve/>). For more details about the walk, ring Craig or Petra (563 8600). After the walk, we

will head back to the Club Rooms for a shared afternoon tea and hot drink (please bring a plate). The reserve day is 31 August 2014.

7 September & 05 October - Jassen

The hard core Jassers will be reminded by phone. New players, please contact Trudi on 56 28 019 for details.

Just ring Heinz on 526-3551. Nothing too small or too big.

Please note that the Bernese Evening planned for 20 September has been moved to 18 October so that our friends from Taranaki can join us. It's going to be a wild one!

Swiss Society AGM

A contingent of 22 members travelled to Taranaki on Queen's Birthday in various cars and at various times, but all during perfect weather conditions were treated to amazing views of Mount Taranaki, the beautiful coastline and lush countryside. Most of us were welcomed to the club house on Saturday evening and served a nice meal and offered great hospitality, and had a good chance to catch up with old friends and make a few new ones. On Sunday morning, some of our group were ready to put up a good fight in the various Cowbell competitions, but this time round the Hamilton participants had no luck. They all put up a good fight but the Taranaki competitors were too strong or too lucky! Congratulations to you all. This was followed by a delicious lunch. Soon, the AGM started and the proceedings seemed to be conducted with perfect Swiss precision. It was nice to catch up with our soon departing

Ambassador, and our club wish her and her family all the best for their next post in Berlin. Again, an amazing dinner was served as well as some excellent entertainment. Definitely some very talented members in Taranaki! Many thanks to the Taranaki committee for putting on a great weekend. AZ

Card Evenings

On 9th May, another season of card evenings commenced at the United Parish Church in Cambridge. This year, to avoid the late night we usually have on the first card evening, it was decided at our recent Club AGM that instead of playing eight games separately at the start of the evening, the total scores from the first three rounds of the regular Club card competition would count towards the Society Medal Jass competition. A stamp on the score sheet showed the 28 players who chose to participate also in the Medal Jass, and all 40 players present were able to get the card playing underway immediately. Bruno Rufer was the eventual winner of the evening, with an impressive 4366 points, which also became this year's highest score.

The second card evening on 23rd May was attended by 36 players, with the first place going to Robert Frischknecht, with another high score of 4346 points, the second highest of the winter. With quite a few people now away, 32 card players came to our third evening on 6th June, where Heinz Leuenberger was awarded first prize with a score of 4292 points. Attendance increased again to 38 for our fourth evening on 20th June, with Ruth Baumberger taking home the

first prize after scoring 4247 points. On 4th July, a total of 40 players came along for the fifth and final card evening, which was won by Josef Kennel with 4290 points.

After spending a few minutes adding up the final night's scores, the results of the overall competition were soon calculated. Beatrice announced Heidi Santner as the winner with 16,388 points, and Herbert proudly presented her with the trophy and a whole ham. Second place went to Oskar Reichmuth with 16,029 points and Pia Russenberger came in third place with 15,967 points! A total of 14 prizes were awarded to the 32 card players who were eligible to participate in the overall competition. Congratulations to Heidi and all the prize winners from both the evening and overall competitions.

A huge thank you goes to everyone involved in organising and catering for the card evenings, particularly for the regular baking and help in the kitchen. The delicious suppers – sausages, savouries, fresh breads and all the home baking – are as popular as the card competition itself. Grateful thanks also to Richard and Uli for coming along early to set up the tables and chairs, ensuring we can get started on time each evening; and also to Herbert for always bringing the bits and pieces needed from the storeroom at Swisscraft. And, of course, a big thank you to everyone for donating the many extra prizes we received for both the evening and overall competitions. Finally, thank you to all the card players for coming along to the card evenings and participating – we can't do it without you and we look forward to seeing you all again next year!!! BL

A big thank-you to Beatrice for organising the collection of payments and being there each evening and also calculating final scores etc. It is a big commitment over five weeks.

Pub Night (6 June 2014): Five adults and two children turned up for a pre-Pub night dinner at the Hangar in Henderson. Thank you to the person who mentioned that the food there was great, it really was delicious. Shortly before nine and after no one else turned up, we decided to go to our president's house to end the evening in a more quiet location. On the way out, we met two more Swiss people and convinced them to join us. Thank you Mr President and family for your hospitality and sorry to anyone who might have turned up later!

Fondue Night 5 July

The Auckland Swiss Club had another successful fondue night. We enjoyed the company of 76 members and quite a few non-members. Many new faces showed up to enjoy the evening. The kitchen crew and especially the fondue stirrers did a wonderful job with the food preparation. Everyone enjoyed the fondue, with many saying it was the best fondue they've had. Emil tested everyone's knowledge with a quiz about Switzerland, New Zealand and a few

other "trick" questions. The winning teams received wine and chocolates. The evening ended with a delicious fruit salad and coffee. A huge thank you to everyone who helped clean up and put everything back in place; your help was greatly appreciated.

Jassen 11 July

15 of us enjoyed our six rounds of Jass which seemed to go very fast this time. The scores were interesting – a record high top score, a record low bottom score, both by some of our most experienced players! A bit like the weather with all the extremes: Climate change! We were happy to welcome Martin who has just decided to settle in Auckland, as well as our winemaker friend Renat who made sure that we did not drink too much tea! Thanks for the lovely wine tasting you provided and you lucky winners of Renato wine, enjoy it even more!
