Many thanks to:

Prof. Cesarina Siddi and her team
for their hospitality and help

Fausto A. Pani, Geologist

Andrea Saba, Hydrologist

Professor Carlo Aymerich (Dean, Faculty of Architecture)
and Professor Antonello Sanna (Head, Faculty of Architecture)

All the students who participated in this workshop for their
tireless commitment

An aerial photograph of a landscape, possibly a wetland or coastal area, with a prominent red overlay covering the lower half. The red area has irregular, organic shapes, suggesting water bodies or specific land use. The top half of the image shows a lighter, textured surface, likely water or a different type of terrain.
