AIMS AND SCOPE

Studies in Communication Sciences is an international journal that publishes original articles of high quality in all areas of communication, e.g. linguistics, semiotics, rhetoric, media, mass communication, corporate and institutional communication, management of communication, information and communication technology, formal models of communication, communication in educational environment, intercultural communication, sociology and psychology of communication. As a general forum for communication scholarship the Journal is especially interested in research whose significance crosses disciplinary and sub-field boundaries.

Authors are invited to submit original papers that are not under consideration for presentation elsewhere. All submissions are thoroughly peer-reviewed for originality, soundness, significance, and relevance. Authors will be notified on the status of their papers within two months of submission.

The Journal publishes full papers (up to 8500 words), short communications (up to 3000 words) in form of focal articles, position papers, event reports, etc. Reviews of books or comments on papers may be commissioned.

Studies in Communication Sciences is published two times a year. Each issue will contain approximately 300 pages. Theme Issues focusing on a particular topic may be published with the assistance of a Guest Editor. *Studies in Communication Sciences* also exists as an Internet-based journal. Website: www.scoms.ch.

Subscription price per volume of two issues including postage: CHF 70,- /EUR 50,-/USD 48. Subscriptions should be mailed to: *Studies in Communication Sciences*, Università della Svizzera italiana, Via Giuseppe Buffi 13, CH-6900 Lugano (email: subscription@lu.unisi.ch). Please contact the same address for student discounts and single issue rates.
