UNIONE TICINESE.

Dear Sir.—At a Committee Meeting of the Unione Ticinese, attended by 10 members, held at the Schweizerbund on Sunday, September 22nd, the following resolution was unanimously agreed to:

The Committee of the Unione Ticinese, having heard the explanations of the President, Mr. W. Notari, are of the unanimous opinion that his efforts in trying to obtain a more just application of the Military Tax Regulations are in the interests of the Society and the Ticinese Colony in general.

They consider that a considerable amount of damage has already been done to our country by the senseless vigour with which regulations of a very doubtful legal validity are being ruthlessly enforced, as they have evidence that Ticinesi have renounced their Swiss nationality on this account and more are contemplating this step.

They wholeheartedly second the efforts of their President and are of the opinion that in view of the facts exposed by him, his article in the "S.O." in no way exaggerates the situation.

"Though this question in no way touches the Society in itself, nevertheless the Committee of the Unione Ticinese wish to voice their confidence in the President, Mr. W. Notari, and thank him for the valuable work he has done and continuously does for the benefit of the Society."

With many thanks, for and on behalf of The Committee of the Unione Ticinese.

PETER DEMARIA, Vice-Secretary.
