**SWISS CLUB MANCHESTER.**

The Swiss Club, Manchester, were favoured and honoured by the visit of Professor Dr. Karl Schmid, of the Ecole Polytechnique Fédérale, Zurich, who came specially to deliver a lecture on the " *Military Position of Switzerland in Europe.*"

The lecture was, as the title indicates, of a most interesting and enlightening character and subject and was listened to by an enthralled audience of the Swiss Colony, who turned up in a most gratifying number.

On conclusion, the lecturer was given a great and enthusiastic ovation. It was a lecture delivered indeed in so clear and lucid a manner (and in German, which in itself was a delight to listen to) which brought the well deserved appreciation.

The lecture took place on the 6th inst., at the Midland Hotel, and was followed by a display of silent films depicting the Swiss Army.

**SONG RECITAL BY DORA WYSS.**

**Wednesday, April 20th, at 8 p.m.**

**At Wigmore Hall.**

We have pleasure in drawing our readers attention to the above mentioned recital by an eminent Swiss Lieder singer, Dora Wyss.

Perhaps it should be made clear that she is not related to our Sophie Wyss, but she enjoys a considerable reputation in Switzerland as an interpreter of classical and modern songs.

Dora Wyss's programme comprises songs by Handel Purcell, Benjamin Brittain, in English, as well as songs in German by Schubert and Brahms. Let us give her a warm reception!
