**ANOTHER TOAST.**

This is a tribute and a toast  
To him whose personality  
Has graced the presidential post  
With charm and tact and dignity.

A famous City gave him birth,  
A seat of learning and of art,  
It formed the background to his worth  
And fitted him to play his part.

Like many more he's taken root  
In this great hospitable land,  
A businessman of good repute  
Whose fortunes prosper and expand.

The limit of his term is near;  
Could not his kindly, clever face  
Be seen for yet another year  
In its accustomed honoured place?

He led us well, with gentle grip,  
One could, in fact, most aptly say  
That in his able leadership  
The *Acme* of perfection lay.

*A member of the City Swiss Club*

In conjunction with the *Sécrétariat des Suisses à l'Etranger*, the *Nouvelle Société Helvétique* is bringing over to London one of the foremost Swiss experts on the training of the Swiss Army. It is Colonel Fritz Erb, whose civil occupation is that of editing the best Swiss newspaper on sport. He will speak in German on the Swiss military position in general as well as the mountain training in particular of the Swiss Army. The lecture will be illustrated by a long film and will take place at 7 p.m. at the Vienna Café. (See advertisement.)
