with a handwritten description of the objects by J. C. Fischer and his printed diary of his visit to London in 1851.

Canton of St. Gall and Appenzell :

Specimens of colour-woven fabrics, embroidery, neckerchiefs with chainstitch embroidery, embroidered sleeves, albums (cuffs), collars, curtains, lambrequins, etc., by the following firms :—

- J. R. Raschle & Co., Wattwyl,
- J. J. Nef, Manufacturer, Herisau,
- J. J. Sutter, Manufacturer, Bühler,
- B. Tanner, Manufacturer, St. Gall,
- C. Stäheli-Wild, Manufacturer, St. Gall, etc.

The St. Gall and Appenzell exhibits were located by Prof. Hch. Edelmann and by Mr. Hans Oderbolz of the St. Gall Chamber of Commerce.

We are convinced that this small display, which shows a cross-section of Swiss industrial production in 1851, will help in once more confirming in the world commercial centre of London that Swiss industry is a solid industry with a tradition of quality workmanship built up on the inventive genius and skill of many generations.
