Pictures like this that can't be posed—the living, breathing, moving happenings that make the best pictures of all can only be taken with a cine camera. And the beauty of it is that cine films are far from expensive. With this Bolex B8 you can take 24 or more good length action sequences for just over £1, including processing charge. At under 11d. a shot this compares very favourably with ordinary still photography. See the Bolex B8 at any good photo shop. Note its precision construction—so vital in a cine camera. That's because it is made in one of the great watch-making centres of Switzerland.
