The Omega Seamaster—Made for a Life of Action

Seals out Water—Seals in Accuracy

The Seamaster was designed to share with you the zest of high adventure and the stresses and strains that go with it. In any climate . . . aloft, ashore and afloat . . . you can count on the Seamaster's extra stamina and extra precision.

Wear it daily, and you never, never need to wind this automatic precision watch. Developed from the watches we designed for the Armed Forces, today's Seamaster is a favourite with pilots, navigators and sportsmen. Whatever your profession or sport, with the Seamaster on your wrist you experience the pride of wearing a famous precision watch especially groomed for the active life . . . for your roughest, toughest day.
