CITY SWISS CLUB.

**Forthcoming "Soirée Familiale" at the
Dorchester Hotel, Park Lane, W.1.**

For the last few years the committee of the City Swiss Club has made strenuous efforts to provide its members with a number of interesting events in various spheres.

It is regretted that these commendable efforts have not always been sufficiently appreciated, some of the meetings having registered an unsatisfactory attendance.

Eminent personalities in all walks of life have in the past been invited, with the aim of fostering friendly feelings and close relations between the two countries.

The committee is anxious to create an atmosphere of closer relationship amongst the members of the Club, and no effort will be spared in making meetings as interesting as possible, suiting every taste. In return it is expected that members will show their appreciation by attending, if not all, at least some of the meetings.

Amongst events in the past have been the "Soirées Familiales" to which the ladies and friends of the Club have always been welcomed; these showed an appreciable attendance and consequently the committee has just sent out invitations to the members for another meeting, with their ladies and friends, of the Club.

The highlight on Wednesday, 25th February, apart from the usual very excellent dinner, will be a short pianoforte recital by our compatriot, Albert Ferber. This eminent artist hardly needs any introduction. By his fine performances at various concert halls in this country and abroad, he has made a name for himself in the musical world, and there is not the slightest doubt that this evening promises to be a most enjoyable and gratifying one. It is therefore hoped that many members with their friends will attend, thus showing their appreciation to the committee for their efforts.
