MORGARTEN PROPERTY OF SWISS YOUTH

Morgarten, scene of one of the first successful freedom battles fought by the Old Swiss Confederacy against the Hapsburg horsemen in 1315, has become the official property of the youth of Switzerland. At a recent ceremony, the school children of the village of Sattel (Canton Schwyz) took symbolic possession of the historic field as representatives of all Swiss youth. The decision to make this gesture was taken at an Open Meeting of Swiss Youth on 21st October 1965, in order to preserve the historic ground along the road between Sattel and Aegeri from encroaching construction and to make of it the site of a memorial and a hostel for Swiss youngsters. A collection among the schoolchildren of all cantons netted a total of 214,110 francs for the purpose.
