BEATENBERG — NEWS AND EVENTS

The new "Kurdirektor" has been wielding his new broom to good effect. Attractions now include special excursions for nature lovers, mountain rambles for amateur botanists and even expeditions in search of mushrooms.

The big news is of course Svetlana . . . Why should Madame Svetlana Allilueva, daughter of the mighty Stalin, choose little Beatenberg in which to relax during her first visit to Switzerland? The older inhabitants of Beatenberg will tell you that before the first world war many Russian aristocrats used to spend their summer holidays at Beatenberg. And since travel books often improve with age and political events live long in the memory — at least of some people — Beatenberg old-timers are wondering whether Svetlana's visit had anything to do with the murder, more than fifty years ago, of the Czar and his family, a crime as brutal as it was senseless. One thing seems certain: Svetlana didn't pick Beatenberg by chance.
