Switzerland, Eastern Switzerland, Lucerne and Aargau have received the largest numbers of refugees.

At the end of January, another group of 62 children from bad homes or camps arrived in Lucerne; most of them came from the suburbs of Paris and will be looked after by Swiss families for three months.

The International Red Cross Committee contacted the Red Cross in North Korea regarding the "Pueblo" affair.

And finally, the Federal Council submitted a message to Parliament in December stating that Switzerland should take part in the first World Exhibition in an Asiatic country in Osaka in 1970.
