The International Bank for International People.

The merger of Lloyds Bank Europe with the Bank of London & South America has brought into being Lloyds & Bolsa International Bank Ltd. as the international arm of the Lloyds Bank Group with additional support from a major U.S. bank, the Mellon National Bank & Trust Company of Pittsburgh.

This new bank, spanning the Atlantic, is strongly established in Western Europe and in the western hemisphere. Lloyds Bank Europe, whose first branches were founded over fifty years ago, had a wider direct representation in the European Economic Community and Switzerland than any other British bank. Bolsa was the only British bank with a branch network covering virtually the whole of Latin America, a network which dated back over a hundred years.

The component banks of LBI played a substantial and even pioneering role in the Euro-currency money market and were concerned in the financing of major projects throughout the world.

In addition to London and New York the LBI Group, through branches of its subsidiaries and associates in Nassau, Paris, Frankfurt, Brussels, Amsterdam and Zurich, and representation in Tokyo, has direct access to major sources of foreign currency funds in all the great financial centres of the world.

The Bank's multi-currency capability, its skill in tailoring the use of funds to fit the needs of the customer or project, its spread of branches and representatives throughout the world, all

combine to make LBI of essential interest to any business operating across national frontiers.

LBI is represented in Switzerland by Lloyds Bank Europe with branches in Geneva, Zurich and Lugano.
