Swissair's latest cabin attendants' training course completed last week brought, for the first time, the number of air hostesses currently flying with the airline to more than 1,000. The 1,000th is Liliane Fahrner, 23 (centre), who joined Swissair after five years on the information and reservations staff of the Swiss Federal Railways in Zürich. In applying for the job Liliane was encouraged by the example of her sister Yvonne who was a Swissair air hostess for six years. With Liliane are Heidi Eidam, the 999th hostess (right), and Monika Goettler, the 1,001st (left). Swissair is this year training a further 350 air hostesses and stewards.
