# Take a turn at the Swiss Roll

ANSWERS to the clues should be entered starting at the appropriately numbered square and then proceeding clockwise. The last letter (or letters) of each word is the beginning of the next word.

In this puzzle, if you have got the correct

answers, you will be able to find the names of three places in Switzerland – starting at the perimeter and going in a straight line, either diagonally, vertically or horizontally, towards the centre.

What are the three places?
