# Swissair to Switzerland. No other airline offers you more for less.

No other scheduled carrier has more daily flights from Heathrow to Zurich, Geneva and Basle. Or from Manchester to Zurich.

Or offers every passenger, whatever the fare he's paid, a comfortable seat, a meal or refreshment and all the courtesies and care he has the right to expect from an international airline.

Swissair is the only carrier with flights from London to Zurich and Geneva by DC9-81, the quietest, most up to date jet operating in Europe.

And it's the only one to offer First Class on all its flights to Switzerland, with a choice of First Class connections onward throughout the world.

There is, however, one area where Swissair claims no more than the competition. And that's on price.

No other scheduled airline offers you a lower fare to Switzerland.

Which is amazing value, when you consider that no other airline can offer you real Swissair.
