To all those who think we only move furniture.

14056 Swiss people in Britain. And no-one wants to return?

A fairly momentous question for a true Confederate! For a transport undertaking with collective deliveries to Switzerland it is the basic question.

We have therefore made a few investigations. The Department for Statistics was able to help us immediately. With figures: of these 14056 Swiss people (a number for the year 1977) 5.5% returned to Switzerland in 1978.

This represents 779 people, of whom the important part instructed us to handle their furniture.

We make the return journey Switzerland-England once weekly. So give us a call. We collect your furniture. Pack it if necessary. Complete all official formalities. And transport it by the quickest route to Switzerland.

You can also call us, however, when you are back in Switzerland. We pack, transport and store everything imaginable. From a few grams to several hundred tons: with a wide variety of vans and trucks (lorries).

We have produced a brochure for all those who think we only move furniture. Order one.
