# The more destinations an airline

Swissair service principles would never allow us to make you puzzle over ciphers, so we don't expect you to count them. Swissair previously had 98 destinations (left), but with the addition of Toulouse from March 27, there will be 99 (right).

In real life the Swissair destinations naturally look a good deal more attractive. Our passengers would recognise our symbols as 99 of the

major world capitals and important cities such as Moscow or Tokyo, Vienna or Rio, Athens or Nairobi. To name but a few.

Indeed, with quick Swissair connections at Zurich and Geneva, as many as 41 destinations in Europe, 11 in the Middle East, 10 in the Far East, 9 in the Americas and 20 in Africa can be reached so quickly and conveniently that you may feel Switzerland is almost on the door

As, the less you notice one more.

step. And Switzerland has become very much  
accessible to England and Ireland, with some  
64 weekly connecting flights from London,  
Manchester and Dublin to Geneva, Basle and  
Zurich.

Even on the short trip to Switzerland you  
have a choice of First Class on all Swissair flights;  
or our Economy Class, where full fare passen-  
gers can select their favourite seat in advance at

the time of booking. It's true Swissair doesn't  
fly everywhere. But the aforesaid 99 should  
give you many an opportunity to sample our  
typically Swiss service.
