The European Banking Traded Currency Fund Limited

Currency Markets

The international currency exchange markets constitute the largest markets of any kind in the world. As such they represent a major opportunity to the investor, but their complexity is in keeping with their size. They involve all the world financial centres and they move with tremendous speed, 24 hours a day. To make the most of the opportunities in these markets you need experience, international resources and quick reactions – a combination not open to many.

The European Banking Traded Currency Fund

provides this combination and is open to everyone.

How the Fund Works

EBC Trust Company (Jersey) Limited has launched The European Banking Traded Currency Fund to provide investors with access to currency markets, under professional guidance.

At least 75 per cent of the portfolio will be held in currencies and monetary instruments, while up to 25 per cent of the assets will be

traded on an intra-day basis in order to benefit from short term fluctuations in currency values.

United Kingdom Tax

The Fund should not incur UK tax on its income and shareholders are not liable to UK tax (except in respect of dividends) until they dispose of their shares, allowing the investor's interest in the Fund to grow at a compound rate free of tax until the holding is realised. This will be of particular interest to those saving for retirement or being able to realise their investments in a year in which their tax liability may be reduced. Alternatively, disposals (and therefore relevant tax charges) can be spread over a number of years.

The Managers

EBC Trust Company (Jersey) Limited is part of European Banking Company Limited – a merchant bank founded in 1973 by seven major European banks. EBC, who is advising the Managers and is well-known for currency trading, has access to a formidable concentration of financial expertise, both in the U.K. and throughout the world.

This advertisement has been placed by European Banking Company Limited, an exempted dealer.
