It is really a very special landscape which presents itself to the natural lover. And it is also a very special adventure for every fan of railways. It is simply one of the most beautiful ways to travel through the Swiss mountains.

The Hotel Stolzenfels in Davos has organized for many years in cooperation with the Rhaetian Railway the popular train adventure weeks for its guests, the so-called "Fascination Rhaetian Railway". Would you like to share this fascination with us? Then please request our information on dates and prices from the address indicated below. FOR THE RAILWAY - FAN AS WELL AS FOR THE HIKER

A new trail in the heart of the Bernese Oberland, between Kandersteg and Frutigen. Hike partly alongside the tracks and also high above the railway, with magnificent views down into the Kander Valley.

About 40 information-boards along the way give details about the railway itself, the trackwork, structures and trains.

A leaflet explaining the text on the information-boards in English is included with this issue of "Swiss Express".
