Hotel Frohsinn

Visiting the Gotthard and the surrounding area of Lake Luzern?

Experience real Swiss hospitality in a family run hotel with well appointed rooms, excellent food and plenty of local atmosphere.

The hotel is located in an ideal place to start your tour. Situated at the beginning of the North Ramp of the Gotthard with a commanding view of the railway, and equally well placed for those walks in the beautiful surrounding countryside of William Tell fame or that longed for journey on nearby Lake Luzern.

Definitely a photo needing colour for impact. George Hoekstra was bang on the mark with this one. "The Big Bang", The first blast on the Southern end of the new Gotthard Base Tunnel in Bodio on the 10th July 2000

As you all know there are other forms of transport in Switzerland. After trains the most popular are the lake steamers and boats.

TOP: A super view of SAVOIE a 1914 steamer on Lake Geneva. Note the flags of two countries.
