2011 AGM

Is it in your diary yet? Members who intend to stay in Derby will see from the AGM advertisement that the Hallmark Hotel is quoting a special rate for accommodation. We should point out that this may not be the cheapest rate available, either direct from the Hotel, on its website; or via independent websites such as "lastminute.com". It is however the cheapest rate available that does not require the full payment at the time of booking and allows cancellation, subject to the Hotel's terms and conditions, without charge. Also we have obtained a special discounted rate for the Saturday Evening Dinner, which is cheaper than 2010 and reflects the concerns with some aspects of the service that both the SRS, and the hotel management had, following the 2010 event. They have assured us that there will be no recurrence next year.

AGM Photographic Competition

A photographic competition will be held at the 2011 AGM. There will be three categories: Railways, Scenic and Humorous and members can enter a maximum of one photograph in each category. Entries must be prints (mounted or un-mounted), with a maximum size of 7 inches by 5 inches and titled. The photographer's name should be written on the back of each print. Entries can be made on the day or in advance by post to Glyn Jones (address details are on the main AGM advert). Please include a stamped addressed envelope for the return of your photographs.

WM on tour

On the 19th June some twenty-one members of the West Midlands Branch made their way, via a stop to admire the Llangollen Railway, to Llanberis to ride up Snowdon on its rack railway. They were blessed with an amazingly clear day

for their trip up the mountain hauled by SLM-built loco No.3 "Wyddfa". In addition to the journey on what is a Welsh version of the Brienzer Rothorn Bahn – sister locos, same rack system – the recently retired CME of the line entertained them to an in-depth discourse on the history of the line followed by a trip around the sheds and workshops, etc. Their trip was enlivened by the presence of a Swiss radio reporter so they subsequently featured in various reports including one on the swissinfo website. Space here is limited so for a much fuller description of their day it is suggested that interested members contact WM Branch Organiser Geoff Turner (his details are on the Branch Diary pages) and ask to be sent an appropriate copy of the excellent electronic branch newsletter "Rundschreiben" that he produces.

2011 Calendar

As we go to press there are still some copies of the calendar available. Ordering details were in the last magazine.

Please do not let us down

Following Kenneth Perry's letter in SE 103 describing his good fortune to get an unsolicited invitation to have a cab ride on the Gotthard, we have been asked to remind members that the policy and rules of the SRS dictate that they should not use society membership as a potential means to access any area of the operating railway when in Switzerland. Over the years the SRS has worked hard to develop a good reputation in that country, and some operators are prepared to work with us on a professional basis to host organised visits, etc. There is absolutely no implication that Kenneth acted incorrectly in the instance he described but we are aware that in the past some individuals have unfortunately used SRS membership to try and gain access to private, and potentially dangerous, locations. Enjoy watching the workings, but please do it safely and from a public place.
