Ivan Rodriguez from the STC writes ...

STC would like to take this opportunity to express our gratitude to Glyn, Malcolm, Roger Kemp and the SRS for their participation at the Earls Court Destinations Show in February. With your help, the Switzerland stands generated a lot of interest about the country, and Glyn's RhB layout proved to be a real crowd pleaser - even if it was in competition with Jasper the St Bernard dog and his pup Hugo! We hope that the show provided the opportunity for SRS to gain a few more members too. We have had some good news from TGV Lyria this month. From mid-December, TGV Lyria will be operating a new connection from Lille to Geneva return, 4 days a week, to connect with Eurostar services - a great new boost to rail travel across to Switzerland. More details to follow in the next edition so watch this space. Holidays based around scenic journeys are becoming increasingly popular, particularly with the anniversaries celebrated by RhB and Pilatus Bahn in 2014. Autumn is a fantastic off-peak travel season, and we're currently offering a free upgrade to First Class Rail on all Classic packages for travel in September and October. To take advantage, contact us at railtrade@stc.co.uk ☑
