Ivan Rodriguez from the STC writes

This year the theme for Switzerland Tourism is the 'Grand Tour of Switzerland' a special route for the motorist covering 1000 miles through four different language regions, five alpine passes, eleven UNESCO World Heritage Sites as well as along 22 lakes, taking in the exquisite scenic views along the way. However, since Switzerland has an integrated transport network second to none, SRS members will be pleased to know that there are alternative Grand Train Tours based on the Swiss Travel Pass either using 4 or 8 days and including some iconic journeys such as the Glacier Express, Bernina Express and Golden Pass. STC has created its own Grand Train Tour package with rail transfers and hotels included. Further information can be found in our

new Scenic Rail brochure. If you are not already on our mailing list, contact us on 020 7420 4908 or email railtrade@stc.co.uk to request your copy, as well as the new Lakes and Mountains brochure. If you are planning your holidays by rail this year be sure to book in advance in order to get the best prices. Eurostar reservations can now be made 6 months ahead and on some international routes including France/Germany, France/Italy as well as the new Lille/Genève it is now 4 months. Domestic journeys in France and TGV Lyria are still bookable 3 months before travel date. STC will be attending SRS AGM in Derby so please do pass by to have a chat with Diana, as it is always good for us to put SRS members' names to friendly faces.
