1. John Barry spotted this ERM 923 Cargo shunter at Menznau station, presumably used to service the nearby Kronospan factory.

2. An Allegra-hauled train descends the spiral Brusio viaduct en route for Tirano, July 2014.

Photo: Mervyn Pritchard
3. In 1957 health and safety obviously wasn't as obligatory, as a worker takes a ride on a road wagon loaded on a rail wagon.

Photo: Hans Rudi Pluess
4. "Oh - My Head Hurts". Glyn Jones' 'Humour' category winner at the AGM photo competition.

5. 'Matterhorn'. The 'Scenery' section winner was this image, again by Glyn Jones, taken from the path between Riffelalp station and the Riffelalp Hotel in January 2013.

6. From the Willie McKnight collection, 'Redarrow - Churchill' and an Re 4/4 pass Hochtenn on 7/9/2013.

7. This classic Filisur shot shows RhB Ge 6/6 II 702 with a freight on 22/7/2010. Photo: Mike Cooper

8. The Rhb ran the Winter Surselva Dampfzug from Landquart to Disentis on 22/2/2015. Ken Wooley followed it and took this shot of the superb loco No 107 'Albula' at Disentis.

9. One of our American members, James Francis, sent in this photo he took at Zurich Hauptbahnhof in 1980. It is his favourite picture from the first time he visited Switzerland. So much has changed since then, the colours, the equipment, the platforms, the track layout, the clock gantry, and even the dwarf signals.
