Latest Cotton Creations

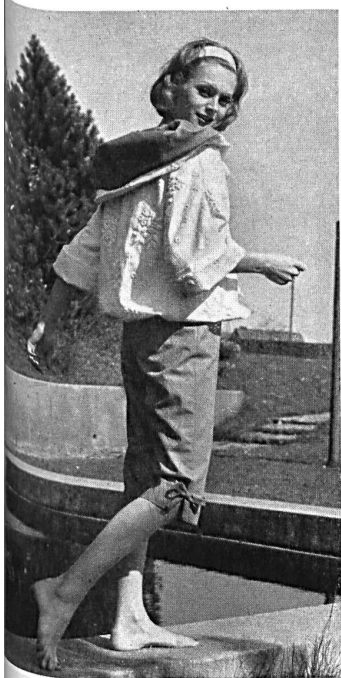

On the occasion of its « First International Cotton Week » held at the beginning of May this year, the Office for the Promotion of the Swiss Cotton and Embroidery Industries organised a fashion parade during the International Horse Races at Aarau to display to the general public and press the latest creations of the embroiderers of Saint-Gall and the manufacturers of fine cotton fabrics, in the form of beautiful dresses and gowns created by members of the Exporters' Association of the Swiss Clothing Industry.

This showing was preceded on the same day by another parade held at Lenzburg Castle during a luncheon given for the press.
